Amendment of Rules 12.12-12.15

(The following Rule amendments are underline and deletions are stricken out)

RULES 1.1 – 12.11 [Unchanged]

RULE 12.12 CORN VARIABLE PAYOUT CONTRACTS

(a) SCOPE – These Rules shall apply to the Class of Contracts referred to as the Corn Variable Payout Contracts issued by Nadex.

(b) UNDERLYING – The Underlying for this Class of Contracts is the Corn price per bushel (in U.S. cents), as calculated by Nadex using a proprietary algorithm which takes a sampling of prices[1] obtained from the specified Corn Futures contracts ("CNFC") currently trading on the Chicago Board of Trade (CBOT®)[2]. The CNFC prices that will be used to calculate the Underlying will be taken from the March, May, July, September, or December CNFC delivery months (each a "CNFC Delivery Month"). The Start and End Date for which Nadex will use a specific delivery month as the Underlying will be set based on the Settlement date of the Underlying futures contract. The date on which a new delivery month will be used as the Underlying for Nadex contracts (i.e. "Start Date") is one calendar day after the End Date for the previous delivery month contract. The last day on which a delivery month will be used as the Underlying for Nadex contracts (i.e. "End Date") is the last Friday of the month preceding the month of the Underlying futures contracts Expiration Date. For example, the CBOT Corn March 2012 futures have an Expiration Date of March 14, 2012. The last day on which the Corn March 2012 futures prices will be as the Underlying for Nadex contracts and to calculate the Expiration Value on the Expiration Date for the relevant Corn contracts will be the last Friday of the preceding month, February. Therefore, the End Date for using CBOT Corn March 2012 futures will be February 24, 2012 and the Start Date for using the next delivery month, CBOT Corn May 2012 futures, will be February 25, 2012.

(c) SOURCE AGENCY – The Source Agency is Nadex.

[1]The term "Prices" does not include any settlement prices calculated or issued by CBOT. Nadex only uses the prices reported on the CBOT in order to formulate it own settlement price.
[2] CBOT® is a registered service mark of the Board of Trade of the City of Chicago. Nadex is not affiliated with the Board of Trade of the City of Chicago and neither the Board of Trade of the City of Chicago, nor its affiliates, sponsor or endorse Nadex or its products in any way.
