FINDINGS: On September 24, 2018, the Nadex Compliance Department sent Quratulain Saqib ("Saqib") an Account Inquiry letter requesting, among other things, general background information, source of funds information and details regarding her order and trading activity. Despite follow-up communications providing Saqib with multiple extensions to respond to the request for information, she wholly failed to comply and/or respond to the inquiry letter. Additionally, Saqib provided misleading information on her Nadex application related to her personal identification. Also, during the course of this investigation it became evident that Saqib funded another Nadex Member's trading account via bank transfers, thus resulting in her having a direct economic interest in the activity and trading in the other Member's account.

During the course of its investigation, the Compliance Department analyzed the order and trading activity throughout the life of Saqib's Nadex account. Through this review, the Compliance Department discovered that Saqib engaged in or attempted to engage in a manipulative scheme to defraud Nadex markets in at least 9 binary option contracts for FX pairs GBP/USD, and USD/JPY between August 29, 2018 and September 18, 2018. The presence of a manipulative scheme was further enhanced upon review of Saqib's account and background information, where it was discovered that she had significant connections with other Nadex Members via trading activity.

Based on Nadex's investigation, the Compliance Department determined that Saqib violated Rule 3.3(a) and Member Acknowledgements and Authorizations, Section (h) of the Nadex Membership Agreement when she failed to cooperate with the Compliance Department's inquiry regarding these matters. Also, Nadex Compliance concluded that Saqib violated Nadex Rule 3.1(f) when she utilized another Nadex Member's account as a second account on Nadex traded for her benefit. Furthermore, the Compliance Department concluded that Saqib violated Exchange Rule 5.19(k) when she provided false and/or incomplete information related to her connections with other Nadex Members and also provided misleading information on her Nadex application related to her employment. Additionally, Saqib's manipulative activity was to the detriment of other market participants. Engaging or attempting to engage in conduct and practices that are manipulative and inconsistent with just and equitable principles of trade, and that pose a risk to the Exchange, its members, and/or to the public, is in contravention of Nadex Rules 5.19(h), 5.19(i), 5.19(n) and 5.19(t). Accordingly, the Compliance Department has concluded that Saqib violated Nadex Rules 5.19(h), 5.19(i), 5.19(n) and 5.19(t).

PENALTY: As a result of the aforementioned violations, the Nadex Compliance Department has deemed it appropriate to fine Quratulain Saqib \$18,000.00, and order her to pay disgorgement in the amount of \$9,314.00. Additionally, Quratulain Saqib's Nadex Membership shall be revoked, her account terminated, and she shall be permanently banned from trading on Nadex markets, either directly for her own account, through an intermediary, or as an authorized trader on behalf of any other account.
