Throughout this record book, your supervisor needs to complete the yellow shaded sections.

Student must add their FULL name, signature and date to the blue shaded sections.

### **Traineeship Record Book**

Connect 'n' Grow® would like to take this opportunity to congratulate you on your traineeship and welcome you as a valued client to our Registered Training Organisation (RTO).

The Traineeship Record Book provides the following:

- A guide for the Supervisors and trainees of the skills and experience that should occur in the workplace during vocational placement.
- A permanent record of workplace competency achievement

Please take care of this workbook. You may wish to copy this book for your records, prior to handing it back to the teachers.

#### **About Connect 'n' Grow®**

Established in 2012, Connect 'n' Grow® is an award-winning RTO delivering high quality health training services. Our Vision is "A world where health pathways happen through quality education". We aim to meet this by using our healthcare programs to provide our Trainees with career pathways through strong collaborations between secondary, vocational, higher education and relevant industry institutions.

#### **Your Responsibilities**

As a trainee your responsibilities are to:

- Attend work on time as per the agreed terms.
- Work towards achieving the qualification or statement of attainment stated in the training contract.
- Obey all workplace health and safety (including dress and equipment) and code of conduct workplace rules.
- Undertake the training and assessment required under the training plan.
- Keep the training record and produce it to the employer, training organisation and/or the Department of Employment, Small Business and Training when requested.
- Not terminate the apprenticeship or traineeship before completion unless the apprentice or trainee and their employer mutually agree to cancel the training contract and notify the Australian Apprenticeship Support Network (AASN) provider or the department accordingly and in writing.

#### Your Employer's Responsibilities

All training that your employer is responsible for delivering must be done during your normal work hours. They must check that you are completing each task during your working day. They are also responsible for ensuring that you work in a safe workplace health and safety environment.

Your employer/supervisor should evaluate your performance continually by:

- Observing you perform and practice tasks on the job,
- Discussing your progress with supervisors and co-workers,
- Asking you questions about the tasks you are performing on the job,
- Reviewing your job performance.

Units of Competency			
Unit Code	Title		
СНССОМ005	Communicate and work in health or community services	Core (CT)	
CHCCOM001	Provide first point of contact	Imported Elective (CT)	
HLTINF006	Apply basic principles and practices of infection prevention and control	Core (CT)	
HLTWHS001	Participate in workplace health and safety	Core (CT)	
CHCCCS012	Prepare and maintain beds	Elective (CT)

## **Third Party Observations**

As part of completing these units of competency, we are seeking evidence to support judgment about the trainee's competence. This is to confirm that the trainee consistently demonstrated the noted knowledge and performance evidence to industry standard.

The person completing this report will need to have direct knowledge of:

- The job function and the trainee's application of skills to that function.
- The trainee's ability to repeatedly perform to the required standard.
- Any relevant legislation, regulations or Australian Standards.

Third party evidence should be provided by a workplace expert, supervisor or team leader and is to be completed over a period of time to industry standard.

Unit of Competency Information				
Unit of competency	Unit description	Example of evidence		
CHCCCS031  Provide individualised support	This unit describes the performance outcomes, skills and knowledge required to organise, provide and monitor personal support services for a person within the limits established by an individualised plan. The individualised plan refers to the support or service provision plan developed for the person accessing the service and may have different names in different organisations.	Determine personal support requirements. Provide support services. Monitor support activities. Complete reporting and documentation.		
	This unit applies to workers who provide care or support under direct, indirect or remote supervision. Work is carried out in a manner which supports independence as well as the physical and emotional wellbeing of the person receiving support.			
CHCDIV002  Promote Aboriginal and/or Torres Strait Islander Cultural Safety	The unit describes the skills and knowledge required to identify Aboriginal and/or Torres Strait Islander cultural safety issues in the workplace, model cultural safety in own work practice, and develop strategies to enhance cultural safety.	Promoting Aboriginal and/or Torres Strait Islander cultural safety in the workplace. e.g., communicating and interacting with Aboriginal or Torres Strait Islander clients.		
BSBMED301 Interpret and apply medical terminology appropriately	This unit describes the skills and knowledge required to understand and respond to instructions; to carry out routine tasks and communicate with a range of internal/external clients in a medical environment; as well as use appropriate medical terminology.	Interpreting and following written instructions containing medical terminology: using medical terminology correctly in oral communications; identifying abbreviations e.g., reading patient charts, prescriptions, referrals.		
HLTAAP001 Recognise healthy body systems	This unit describes the skills and knowledge required to work with basic information about the human body and to recognise and promote ways to maintain healthy functioning of the body.	Working effectively with information about the human body and its healthy functioning.eg observing vital signs being taken and discussed.		

Unit of Competency Information				
Unit of competency	Unit description	Example of evidence		
CHCCCS002 Assist with movement	This unit describes the skills and knowledge required to support people who require assistance with basic physical movement which may be due to incapacity.	Preparing to assist a person with movement e.g., use of relevant equipment, risk and safety awareness to self and person, infection control understanding, and completion of task e.g. cleaning and returning equipment		
CHCCCS026 Transport Individuals	This unit describes the skills and knowledge required to provide safe, timely and efficient transportation of people from one location to another at a particular site, or to other sites.	Preparing and transporting person and equipment e.g., level of support required, equipment required, appropriate transportation, safety and comfort of person; completion of transporting e.g., delivered to location, provided information to receiving person if applicable, completion of reporting requirements.		
CHCCCS020  Respond effectively to behaviours of concern	This unit describes the skills and knowledge required to respond effectively to behaviours of concern of people. Skills are associated with handling difficult incidents rather than managing ongoing behaviour difficulties	Identifying behaviour and planning responses e.g., strategies for dealing with behaviours of concern, position responsibilities including scope of practice in responding and involvement; Reporting and reviewing e.g., reporting to relevant personal and participating in debriefing activities, seeking feedback and further resources		
BSBWOR301 Organise personal work priorities and development	This unit describes the skills and knowledge required to organise own work schedules, to monitor and obtain feedback on work performance and to maintain required levels of competence.	Preparing a work plan, using business technology, prioritising tasks and monitoring own personal performance. e.g., completing record of daily duties, reflecting on performance
