- 40 SACE Points

Skills acquired

- Infection Control
- Customer service
- Working with diverse people
- Communication skills
- Organising daily work schedules
- Working in teams
- Workplace health & safety

Employment

Community Services may be used as a pathway for workforce entry as community services workers provide a first point of contact and assist individuals in meeting their immediate needs. At this level, work takes place under the direction of others and supervision may be direct or indirect. Work may take place in a range of community services organisations.

Pathways to further study

- HLT33115 Certificate III in Health Services Assistance
- HLT33021 Certificate III in Allied Health Assistance
- CHC32015 Certificate III in Community Services
