

Training Provider	Connect'n'Grow (CnG)														
Qualification	HLT23221 Certificate II in Health Support Services (12 units in total) School Holiday Program														
VETiS	In Queensland VET in School (VETiS) supports certificate II training delivered through general training pathways. This pathway focuses on career paths linked to priority industries and sectors and helps make moving from school to work or further training easier. This training is undertaken as part of your school studies alongside your school curriculum subjects.														
Funding Entitlement	A Student is entitled to one funded VETiS qualification. Once the student has completed a VETiS funded qualification, their funding will be exhausted.														
Funding Eligibility	To access a funded training place under VETiS, a student must: <ol style="list-style-type: none"> 1. be enrolled in a Queensland school in Years 10, 11 or 12 2. not be an international secondary exchange student in Queensland 3. not be enrolled in a Qualification funded by the Department including a school-based apprenticeship or traineeship 4. not have previously completed a Qualification funded by the Department under VETiS or a similar program by whatever name; and 5. have a genuine interest in pursuing a post-school vocational occupation.
