

Training Provider	Connect'n'Grow (CnG)
Qualification General Training Pathways	HLT23221 Certificate II in Health Support Services (12 units in total) or CHC22015 Certificate II in Community Services (9 units in total)
Duration	12 months
VETiS Funding	In Queensland VET in School (VETiS) supports certificate II training delivered through general training pathways. This pathway focuses on career paths linked to priority industries and sectors and helps make moving from school to work or further training easier. This training is undertaken as part of your school studies along side your school curriculum subjects.
Funding Entitlement	A Student is entitled to one funded VETiS qualification. Once the student has completed a VETiS funded qualification, their funding will be exhausted.
Funding Eligibility	To access a funded training place under VETiS, a student must: 1. be enrolled in a Queensland school in Years 10, 11 or 12; 2. not be an international secondary exchange student in Queensland; 3. not be enrolled in a Qualification funded by the Department including a school-based apprenticeship or traineeship; 4. not have previously completed a Qualification funded by the Department under VETiS or a similar program by whatever name; and 5. have a genuine interest in pursuing a post-school vocational occupation.
Training Arrangement	Your School has partnered with Connect'n'Grow (CnG) to deliver 50% of the units for your chosen qualification. This is referred to as a Third Party Agreement. Connect'n'Grow provide the resource to your school for you to complete through timetabled lessons with your Teacher. Your teacher will assess the units your school delivers while CnG will assess remaining units. Your enrolment, and issue of your qualification will be processed by CnG.
Training Delivery	CnG Delivery: A Connect n Grow Trainer will attend scheduled Incursions as negotiated with your School. School Delivery: as timetabled each week by your school in conjunction with your other curriculum subjects
Training Dates	Training dates will be indicated in your school timetable at the beginning of school term for units delivered by your school and CnG
Training Location/s & Facilities	Your enrolled school site
Training Equipment Required	Accessibility to a computer and internet to complete self-paced learning and assessment
Training Methods	Blended Learning Blended learning incorporates:
