

A new vision for sound

Beosound Theatre reinvents what the home cinema experience can be. All the power, clarity and immersion of a multi-speaker setup. But from one beautiful soundbar that slots in seamlessly with any screen.

No black boxes, no cable clutter. Four patent-pending acoustic innovations in one sleek soundbar envelop you in sound from every angle.

Made with materials as beautiful as they are durable, Beosound Theatre is made to last for generations.

Make every movie an unmissable cinematic event.
