

Off the wall music

Beosound Shape is a wall-mounted wireless speaker system for design conscious music lovers – delivering immersive sound staging, a customizable design and integrated noise dampers for improved room acoustics.

Based on a modular tile concept, Beosound Shape is designed to provide ultimate creative freedom. Each tile serves a function as either speaker, amplifier or acoustic damper and can be pieced together in endless combinations.

Living room, hotel lobby or restaurant – whatever the setting, we will let you define the size, colours and even the sound performance to match.

Why you'll love it

-  Modular, wall-mounted system
