

THE B&O SOUND SYSTEM IN THE 2022 FORD EXPEDITION

THE B&O SOUND SYSTEM IN THE 2022 FORD EXPEDITION

PERFECT SOUND FOR EVERY DRIVE

The B&O Sound System delivers a premium audio experience that is unique in this vehicle segment. The rich and powerful sound provides listening pleasure for all passengers and complements the bold character of the Expedition.

TAKEN TO A NEW LEVEL

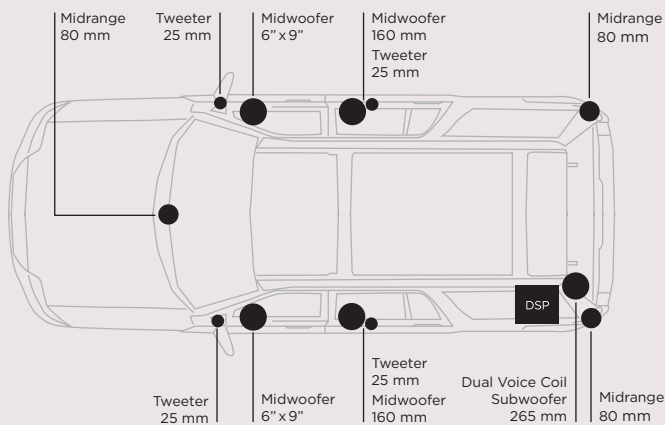

Expedition is offered with a second level B&O Unleashed Sound System - The ultimate combination of sound, design and craftsmanship, including headliner speakers for an even more enveloping listening experience.

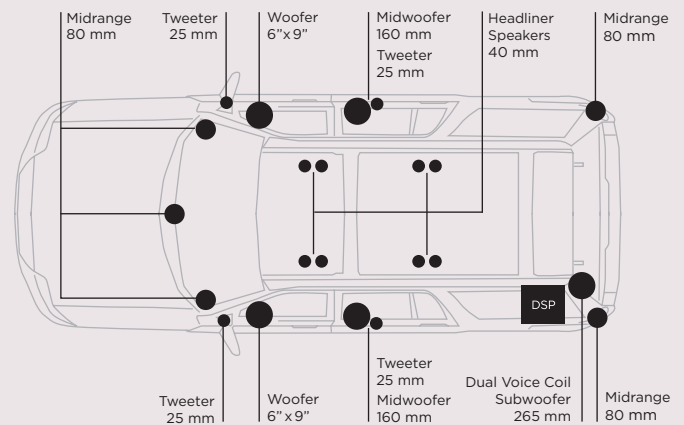

DESIGNED TO TOUCH THE SENSES

The iconic B&O brand is easily identifiable inside the vehicle with its distinctive speaker grille design, incorporating elements of aluminum and blending seamlessly with the stylish interior of the Expedition.

DSP Features

Speed Adaptive Volume | Surround Sound | Power Manager

Tuning

The system has undergone hundreds of hours of acoustic testing. Static and dynamic tuning ensures that whatever the driving conditions, the Ford Expedition sounds as incredible on the road as it does standing still.

Design Elements

Derived from the iconic product design of the Bang & Olufsen home products.

Anodized aluminum badges engraved with the B&O logo elegantly identify the B&O Unleashed Sound System.

The radiating hole pattern supports the acoustic transparency.

Holes at the edge of the speaker grilles gradually decrease in size in order to blend in seamlessly.
