

# Children with Disabilities

The McNairy County Board of Education, in compliance with P.L. 105-17, provides a free and appropriate education for all disabled children residing in McNairy County. All disabled children who are 3-22 years of age will be provided an educational program to fit their individual needs.

If you have a disabled child not attending school, please contact the McNairy County Schools - Special Education Department at 731-645-6010 for further information. Children with disabilities and attending non-public schools in McNairy County may receive some services.

The Departments of Education has established a "Birth through Two" hotline to help families of children with developmental delays locate and learn more about appropriate intervention services.

The number, which may be called weekdays between 8 a.m. and 4:30 p.m. is 1-800-852-7157.
