

# SELMER, TN

## NOTICE OF CHANGE BULK PICKUP PROCESS

The Town of Selmer is implementing a fee for bulk items set out outside the established quarterly pickup dates. If bulk waste is placed for pickup outside a scheduled date, the Street and Sanitation Department will document the set-out, remove the items as operations allow, and apply a fee to the customer's trash charge on the utility bill. The fee for an unscheduled pickup is \$50 per occurrence. Larger or excessive amounts of bulk waste may result in higher fees based on disposal costs.

### How to Avoid This Fee

To avoid this fee, place bulk waste out during the scheduled quarterly pickup only (normal restrictions apply). During the scheduled pickup week, set items within 5 feet of the street, keep them clear of overhanging limbs and power lines, and call Street and Sanitation to be added to the pickup list. Residents may also bring bulk items to the Street and Sanitation Department during normal business hours for disposal at no cost (normal restrictions apply).

### **2026 Bulk Pickup Schedule**

Set out Date	Call in by	Last Day of Pickup
July 16 <sup>th</sup> , 2026	July 22 <sup>nd</sup> , 2026	July 23 <sup>rd</sup> , 2026
October 15 <sup>th</sup> , 2026	October 21 <sup>st</sup> , 2026	October 22 <sup>nd</sup> , 2026

**For questions, please contact the  
Selmer Street and Sanitation Department at 731-645-7908.**
