

PUBLIC MEETING

The McNairy County Hazard Mitigation Committee will hold a public meeting on July 9, 2026, at 10:00 a.m., at the McNairy County E911 Classroom (12 Falcon St., Selmer, TN).

The purpose of this meeting is to discuss the hazards that affect McNairy County and develop measures to mitigate the effects of these hazards in order to lessen the effects on property and the citizens of McNairy County. The public is invited to attend and participate by providing their input on how we can lessen the effects of hazards and disasters in our county.
