

PROPOSED CONSTRUCTION

TowerCo, LLC would like to place on notice the proposed construction of a 255' (260' including all appurtenances) lattice tower known as Ramer (421.7' ground elevation). If lighting is required the applicant will request the use of dual red/white, medium intensity lighting (but will ultimately use lighting/markings required by the FAA), located at 35°0'58.56" north latitude and 88°38'40.28" west longitude near 164 Chewalla Street, Ramer, McNairy County, Tennessee 38367, ASR File #A1319534. The application for this proposed project can be viewed at www.fcc.gov/asr/applications by entering the ASR file number. If you have environmental concerns about the proposed structure, a Request for Environmental Review may be filed with the FCC at www.fcc.gov/asr/environmental-request or by writing to FCC Requests for Environmental Review, ATTN: Ramon Williams, 445 12th St SW, Washington, DC 20554. The FCC strongly encourages interested parties to file Requests for Environmental Review online. Requests for Environmental Review may only raise environmental concerns and must be filed within 30 days of the date that notice of the project is published on the FCC's website. If you have any concerns regarding historic properties that may be affected by this proposed undertaking, please contact: Abby McKay, Lotis Environmental, LLC, at McKay@TheLotisGroup.com or (509)387-0700. In your response, please include the proposed undertaking's location and a list of the historic resources that you believe to be affected along with their respective addresses or approximate locations.
