HELPING HANDS

The pandemic has been not the most kind to us, but it has been even worse for the deprived people and therefore our initiative birthed out of the need to make their lives better by providing them resources for entertainment and education like books, clothes footwear, board games etc.

SHE HYGIENE

She Hygiene is our social initiatives that aims to fulfill the need of underprivileged menstruating females by providing them with eco-friendly sanitary pads on a monthly basis.

SUNDAY4SECUREDUTURE

This month, we organized 5 drives for #SundaysForSecuredFuture and planted 61 trees. Trees were planted on the grounds of #TheWisdomTreeSchool by WE RISE TOGETHER. The principal of Alchon International School visited the plantation. The Principal of the Wisdom Tree School, Mrs. Anmikha Roy, Principal of Ahlcon International School, Mr. Sanjay Yadav and We Rise Together Ambassador, Shrey Saxena also graced the plantation by their presence.

SHE HYGIENE

We provided 211 girls with biodegradable sanitary pads as part of the she hygiene initiative, and we also raised their understanding of menstrual hygiene. The #WeRiseTogether team also informed underprivileged girls about another environmentally friendly period choice, called menstrual cups, and gave them to those who volunteered to help.

MY FIRST PERIOD

We held three episodes of "My First Period" in which we conversed with renowned women like Soumya Singhal, Lakshmy Das, and Karina Murray. We asked them, in turn, questions regarding menstrual hygiene, their first period experiences, and how we might raise awareness of menstrual hygiene.
