ABOUT THE INITIATIVES

01

HELPING HANDS

The pandemic has been not the most kind to us, but it has been even worse for the deprived people and therefore our initiative birthed out of the need to make their lives better by providing them resources for entertainment and education like books, clothes footwear, board games etc.

02

SUNDAY4SECUREDUTURE

S4SF is a movement to encourage youth all around the world to take at least one climate action every Sunday, keeping in mind “We do not inherit the earth from our ancestors; we borrow it from our children

03

SHE HYGIENE

She Hygiene is our social initiatives that aims to fulfill the need of underprivileged menstruating females by providing them with eco-friendly sanitary pads on a monthly basis.

SUNDAY4SECUREDUTURE

We carried out four drives and planted 50 trees in the month of February. Many locals participated in the plantings as well. We also gave the earlier-planted trees water. As a result of our campaigns, a lot more individuals have been motivated to join us in protecting the environment. Residents in the neighborhood have expressed gratitude for our efforts to enhance their environment.

SHE HYGIENE

We provided 169 girls with biodegradable sanitary pads and raised their understanding of menstrual hygiene. Adolescent girls should maintain good menstrual hygiene. Since period hygiene issues have never been publicly highlighted previously, girls continue to be oblivious of this fundamental, physiological, and natural function of their bodies. We have always worked hard to dispel the stigma around menstrual hygiene, and we will continue to do so.

HELPING HANDS

1. We gave 200 UPSC test books to Sector 11 of Jhundpura Library in Noida. We also had the opportunity to meet Ramveer Sir, who has established several Libraries in North Indian communities. Our productive conversation paved the groundwork for our upcoming cooperation. We aim to continuously work for the education and amusement in an effort to make them happy.

THANK YOU!
