ABOUT THE INITIATIVES

01

HELPING HANDS

The pandemic has been not the most kind to us, but it has been even worse for the deprived people and therefore our initiative birthed out of the need to make their lives better by providing them resources for entertainment and education like books, clothes footwear, board games etc.

03

SHE HYGIENE

She Hygiene is our social initiatives that aims to fulfill the need of underprivileged menstruating females by providing them with eco-friendly sanitary pads on a monthly basis.

SUNDAY4SECUREDUTURE

"The road to Happiness starts with Cleanliness."

In the month of December 2022, the #WeRiseTogether team planted 53 trees and cleaned a nearby park, where our team collected 51 kgs of Plastic waste, with Mission100CroreTree. Through our actions, we have contributed our bit for the betterment of the Mother Earth. Our team has always worked for the betterment of our environment. We stand for #ClimateJustice with positive action taken for the climate by planting trees and cleaning our surroundings.

SHE HYGIENE

Christmas is a festival of joy and presents. Thus, in the month of December, the #WeRiseTogether team gifted sanitary pads to 190 deprived girls and availed them access to Menstrual Hygiene. In this month, we benefitted a total of 338 underprivileged women and girls by providing them eco-friendly sanitary pads. This is a step to help those who need it the most; A step to break the stigma and make sure each and every woman and girl has access to the basic necessities of life.

MENSTRUAL HYGIENE FOR ALL 'PETITION'

Without proper Menstrual Hygiene, menstruators might become prone to several period-related disorders including urogenital infections, fungal infections, urinary tract infections, and even cervical cancer.

Aarav Seth (14) and Shreya Tuli (18) have started the petition "#MenstrualHygieneForAll" to include menstruation education in the curriculum starting in 6th grade after being alarmed by the results.

For a brighter tomorrow please sign and share this petition.
