This form is for an individual, 18 years or older, who has received a job offer in Iceland.

What documents must be included with the first application?

Information on necessary supporting documents and document requirements can be found on the Directorate's website. It is important to read the information thoroughly. You can also use the checklist at the end of this form.

How to apply?

Applications can only be submitted in paper form.

They can either be sent by regular mail to the Directorate of Immigration or delivered to the drop box in the Directorate's reception in Dalvegur 18, 201 Kópavogur. It is necessary to first pay the processing fee by bank transfer and submit the payment receipt with the application for confirmation. An unpaid application will be returned to the applicant.

Applications can also be handed in and paid for in the Directorate's reception or at the offices of District Commissioners outside the capital area.

Application processing

It is the applicant's responsibility to submit satisfactory documents with an application. If satisfactory documents are not received, this may lead to delays in processing or rejection of the application.

Applications and supporting documents are not assessed upon reception and registration. The Directorate of Immigration contacts the applicant or his/her agent if further documents or information is needed for processing the application.

Information about processing time can be found on the Directorate's website.

2. Ties with Iceland or other Schengen countries

If your application will be denied and you are still in Iceland the Directorate of Immigration is obligated to issue an expulsion. With a decision on expulsion the Directorate generally issues a period of voluntary departure. If you do not leave the country within the given period of voluntary departure an entry ban is activated, which is usually valid for the entire Schengen-area. Hereby you are given the opportunity to provide information that may be relevant to the expulsion decision and to object to that decision. If you do not fill in this part of the application form, it is regarded as you do not object to an expulsion if your application will be denied. If there are any changes in your circumstances, it is important that you inform the Directorate as soon as possible so that can be taken into account.

Do you have any ties with Iceland or other countries within the Schengen-area? Yes No

If yes, what ties?

Are there any reasons that could lead to that a decision on an expulsion and an entry ban to the Schengen-area would be considered an unfair measure towards you or other members of your family? Yes No
