Í skýrslunni er miðað er við tíma sem málið var skráð. Gerðar voru breytingar á talningaforsendum frá og með sept. 2026 til að tryggja að LAL myndi eingöngu telja mál á sínu borði, en ekki þau sem voru færð undir LAL við útgáfu ákæru, þar sem aðili gat hafa brotið af sér í ólíkum embættum.
