

Re-assessment

Application for invalidity pension and related payments for persons residing overseas¹

- A disability assessment from Tryggingastofnun (TR) is a prerequisite for the payment of invalidity pensions and related payments. Entitlements are dependent on length of residency in Iceland and are income linked. TR must be notified of any changes to income or circumstances.
- The application must be accompanied by a medical certificate and questionnaire on loss of ability.
- If the conditions of the disability assessment for pension are not fulfilled, the application will be treated as an application for disability allowance.
