This form is for an individual, 18 years or older, who is:

- registered for full-time studies at an Icelandic school in undergraduate, graduate or doctoral studies,
- a doctoral student at a foreign university that is in collaboration with an Icelandic university,
- exchange student in an Icelandic upper secondary school (age requirements may be waived),
- in an internship in Iceland.

What documents must be included with the first application?

Information on necessary supporting documents and document requirements can be found on the Directorate's website. It is important to read the information thoroughly. You can also use the checklist at the end of this form.

How to apply?

Applications can only be submitted in paper form.

They can either be sent by regular mail to the Directorate of Immigration or delivered to the drop box in the Directorate's reception in Dalvegur 18, 201 Kópavogur. It is necessary to first pay the processing fee by bank transfer and submit the payment receipt with the application for confirmation. An unpaid application will be returned to the applicant.

Applications can also be handed in and paid for in the Directorate's reception or at the offices of District Commissioners outside the capital area.

Application processing

It is the applicant's responsibility to submit satisfactory documents with an application. If satisfactory documents are not received, this may lead to delays in processing or rejection of the application.

Applications and supporting documents are not assessed upon reception and registration. The Directorate of Immigration contacts the applicant or his/her agent if further documents or information is needed for processing the application.

The Directorate of Immigration forwards an application for a work permit and employment contract to the Directorate of Labor for processing, if applicable.

Information about processing time can be found on the Directorate's website.

Application deadline for studies

Applications for student permits received within the deadlines (before May 1 and October 1 each year) are processed to the best of our ability before the start of school.

Processing times may be delayed in cases where further processing is required to assess whether the applicant meets the requirements for a residence permit.

It is therefore important to submit sufficient supporting documents to expedite the processing of your application.

1. Residence permit

Provide information on whether you are applying for a first residence permit or applying for a residence permit on a new basis.

I am applying for:

- ☐ a) A first residence permit
- ☐ b) A permit on a new ground

2. Ties with Iceland or other Schengen countries

If your application will be denied and you are still in Iceland the Directorate of Immigration is obligated to issue an expulsion. With a decision on expulsion the Directorate generally issues a period of voluntary departure. If you do not leave the country within the given period of voluntary departure an entry ban is activated, which is usually valid for the entire Schengen-area. Hereby you are given the opportunity to provide information that may be relevant to the expulsion decision and to object to that decision. If you do not fill in this part of the application form, it is regarded as you do not object to an expulsion if your application will be denied. If there are any changes in your circumstances, it is important that you inform the Directorate as soon as possible so that can be taken into account.

Do you have any ties with Iceland or other countries within the Schengen-area? ☐ Yes ☐ No

If yes, what ties?

Are there any reasons that could lead to that a decision on an expulsion and an entry ban to the Schengen-area would be considered an unfair measure towards you or other members of your family? ☐ Yes ☐ No
