APPLICATION FOR LONG-TERM VISA

Please duly complete the application and be sure to sign it.
An incomplete application may lead to delays in processing or rejection of the application.

Applicant

Name	
Date of birth (dd.mm.yy.)	

For whom is the form intended?

The form is for individuals who are applying for a long-term visa. Long-term visa gives permission to stay up to 90 days beyond the time which the applicant may otherwise stay as a tourist.

What documents must be included with the application?

Information on necessary supporting documents and document requirements can be found on the Directorate's website. It is important to read the information thoroughly. You can also use the checklist at the end of this form.

How to apply?

Applications can only be submitted in paper form.

They can either be sent by regular mail to the Directorate of Immigration or delivered to the drop box in the Directorate's reception in Dalvegur 18, 201 Kópavogur.

It is necessary to first pay the processing fee by bank transfer and submit the payment receipt with the application for confirmation. An unpaid application will be returned to the applicant.

Applications can also be handed in and paid for in the Directorate's reception.

Application processing

It is the applicant's responsibility to submit satisfactory documents with an application. If satisfactory documents are not received, this may lead to delays in processing or rejection of the application.

Applications and supporting documents are not assessed upon reception and registration. The Directorate of Immigration contacts the applicant or his/her agent if further documents or information is needed.

The processing time of long-term visas may be as long as 14 days after satisfactory documents have been received. However, it may be longer when further processing is required to determine whether an applicant meets the requirements of a long-term visa.

Please make sure that you apply for a long-term visa at least 14 days before your current visa expires or before your 90 visa free days are up.

1. Ties to Iceland or other Schengen countries

If your application is rejected and you are in Iceland, the Directorate of Immigration is obligated to expel you to your home country. An expulsion decision generally entails a deadline for voluntary departure. If people do not leave the country within the deadline, a re-entry ban is activated, which normally applies to the entire Schengen-area. Hereby you are given the opportunity to provide information that may be relevant to an expulsion decision and to object to such a decision. If you do not complete this section of the application form, it will be assumed that you do not object to an expulsion if your application is rejected. In case there are any changes in your circumstances after the application is submitted, it is important that you inform the Directorate of Immigration as soon as possible for it to be considered.

Do you have any ties to Iceland or other countries within the Schengen-area? Yes No

If yes, what ties?

Are there any reasons that an expulsion decision and an entry ban to the Schengen-area would be considered an unfair measure towards you or members of your family? Yes No
