

**15.4.6.13 Engine survey of ships with overall length 15 metres and over**

Periodical survey	Additional survey		Registration No.
-------------------	-------------------	--	------------------

Name: \_\_\_\_\_ District

No.: \_\_\_\_\_

Total length: \_\_\_\_\_ metres Place of survey: \_\_\_\_\_ Report

No.: 001

Date of survey: \_\_\_\_\_ Validity of survey: \_\_\_\_\_ Metre

No.:

No.	Item inspected	Remark				No.	Item inspected	Remark				No.	Item inspected	Remark			
2000	Engine equipment	0	1	2	3	2350	Cool. water equip	0	1	2	3	2600	Spares and tools	0	1	2	3
2010	Eng. accrd. ship reg					2360	Cool. water piping					2642	Fuel oil pipe				
2020	Engine is functional					2370	Seaw. piping to eng.					2643	Spares seaw. pump				
2030	Water leaks					2380	Seawater intake					2644	Spares circ. pump				
2040	Oil leaks					2400	<b>Seawater/bilges</b>					2645	Auxiliary starter				
2050	Met.: Rpm/lub/heat					2401	Bilge pumps					2650	Tools				
2060	Met:Exh.gas.pr.gear					2440	Bilge piping/valves					2700	<b>Auxiliary engine</b>				
2070	Engine controls					2450	Alarm seaw in eng.					2710	Auxiliary engines				
2080	Propeller gear					2460	Bilge filters					2720	Gauges				
2090	Engine fastenings					2470	Seaw pump/deck					2730	Oil leaks				
2100	Engine pads					2480	Bottom valves					2800	<b>Electric equipm.</b>				
2130	Fuel seperator					2490	Seawater piping					2810	Gen. cond. el equip				
2140	Air compressors					2500	<b>Fire pretention</b>					2820	Gauges, fuse mark.				
2150	Start air receiver					2501	Fire extinguishers					2830	Generator 1 charg.				
2160	Batteries					2510	Fire pumps					2840	Generator 2 charg.				
2200	<b>Fuel equipment</b>					2520	Fire hydrant					2850	Specl. surv. demnd
