Director, Advocacy and Quality of Care

Regarding: Application for JACIE Certification Process

Dear Programme Director,

The **Delegación Española de la Fundación European Society for Blood and Marrow Transplantation – JACIE** on behalf of the **stitching European Society for Blood and Marrow Transplantation - EBMT**, has reviewed your application for certification. Based on your response to the Inspection Report(s) and the JACIE Assurance Committee recommendations, this organization is pleased to inform you that your programme meets the applicable requirements and a Certificate has been issued.

The Certificate will be accessible online and it can also be downloaded in PDF format and shared with third parties as necessary. The certificates will be issued in a secure digital format and can be verified online. For further information regarding the security of the certificates, please refer to this [link](#).

The identity of centres and institutions will be published on the JACIE website and in other JACIE communications. If this certification is referred to any publicity by your organization, please be certain to specify the areas for which it is certified.

The certified centres must notify the JACIE Office of any changes to facilities and/or key personnel as soon as they are implemented by completing the Changes Affecting Certification Report.

In addition, as part of certification period, centres are subject to a focused Interim Audit during this period.

More information on the Changes in Centres and the Interim Audit processes is available at [JACIE webpage](#).

We would like to take this opportunity to offer our sincere congratulations to you and your staff for the tremendous effort you have made. It is well recognized that the workload that a centre takes on when preparing for certification process is significant, but we are confident that you and your staff are already seeing the benefits of this investment in all aspects of your work.

Yours sincerely,

Tuula Rintala
Director, Advocacy & Quality of Care
EBMT / JACIE
