RESIDENCE PERMIT FOR SPOUSE APPLICATION FOR FIRST PERMIT

Please duly complete the application and be sure to sign it.
An incomplete application may lead to delays in processing or rejection of the application.

Applicant

Name	
Date of birth (dd.mm.yy.)	

I am a spouse of:

☐ an Icelandic citizen	☐ a foreign citizen
---	--

For whom is the form intended?

The form is for adult individuals who intend to live in Iceland with their spouses. A permit for a spouse can be granted based on marriage or cohabitation, if the cohabitation has lasted longer than one year. The word spouse both refers to marital spouses and cohabiting spouses.

If the applicant's spouse is a citizen of an EEA/EFTA state, a residence card for family members of an EEA/EFTA citizen (form E-200) should be applied for instead.

What documents must be included with the first application?

Information on necessary supporting documents and document requirements can be found on the Directorate's website. It is important to read the information thoroughly. You can also use the checklist at the end of this form.

How to apply?

Applications can only be submitted in paper form.

They can either be sent by regular mail to the Directorate of Immigration or delivered to the drop box in the Directorate's reception in Dalvegur 18, 201 Kópavogur. It is necessary to first pay the processing fee by bank transfer and submit the payment receipt with the application for confirmation. An unpaid application will be returned to the applicant.

Applications can also be handed in and paid for in the Directorate's reception or at the offices of District Commissioners outside the capital area.

Application processing

It is the applicant's responsibility to submit satisfactory documents with an application. If satisfactory documents are not received, this may lead to delays in processing or rejection of the application.

Applications and supporting documents are not assessed upon reception and registration. The Directorate of Immigration contacts the applicant or his/her agent if further documents or information is needed for processing the application.

The Directorate of Immigration forwards an application for a work permit and employment contract to the Directorate of Labor for processing, if applicable.

Information about processing time can be found on the Directorate's website.

1. Residence permit

Provide information on whether you are applying for a first residence permit or a change on the basis of a residence permit. Generally, first residence permits are granted for one year.

I am applying for

- ☐ a) A first residence permit
- ☐ b) A permit on a new ground

2. Ties with Iceland or other Schengen countries

If your application will be denied and you are still in Iceland the Directorate of Immigration is obligated to issue an expulsion. With a decision on expulsion the Directorate generally issues a period of voluntary departure. If you do not leave the country within the given period of voluntary departure an entry ban is activated, which is usually valid for the entire Schengen-area. Hereby you are given the opportunity to provide information that may be relevant to the expulsion decision and to object to that decision. If you do not fill in this part of the application form, it is regarded as you do not object to an expulsion if your application will be denied. If there are any changes in your circumstances, it is important that you inform the Directorate as soon as possible so that can be taken into account.

Do you have any ties with Iceland or other countries within the Schengen-area? ☐ Yes ☐ No

If yes, what ties?

Are there any reasons that could lead to that a decision on an expulsion and an entry ban to the Schengen-area would be considered an unfair measure towards you or other members of your family? ☐ Yes ☐ No

17. To be filled in by the applicant's spouse

The Directorate of Immigration obtains the criminal record of the family member on which the application is based and contacts the applicant in case the record entails a violation of section XXI-XXIV of the Icelandic Penal Code no. 19/1940. This is done to see if the conditions of paragraph 2 Article 69 of the Foreign Nationals Act are met. The provision states: A residence permit on grounds of family reunification will not be granted if the family member on whom the application is founded has in the last five years been convicted or subjected to security measures for violations under the measures provided in Sections XXI-XXIV of the Icelandic Penal Code, unless refusal of a residence permit would constitute an unfair measure against him/her or his/her immediate family.
