Statement regarding not starting a business / accepting work as a contractor

According to Article 20, paragraph 1 of Act No. 54/2006 on Unemployment
Insurance

I, the undersigned, hereby declare that I will not commence business operations my own ID number or accept work as a contractor while receiving payments of unemployment insurance without notifying The Directorate of Labour in advance.

It is not permitted to be registered on Iceland Revenue and Customs wage payers' registry alongside payments of unemployment benefits.

According to Article 35 of Act No. 54/2006 on Unemployment Insurance, the person who is considered insured according to the Act shall inform The Directorate of Labour with at least one day notice of incidental work accepted at the same time they receive payments of unemployment benefits.

The undersigned understands that according to Section XI, of Act No. 54/2006 on Unemployment Insurance, it can result in suspension of payments or termination of entitlement to unemployment benefits when failing to notify The Directorate of Labour of incidental work or reporting that the job search has ended.

Information about work as a contractor shall be reported via My Pages on the Directorate of Labour's website.
