wowway.com

Agreement to Terms and Policies. The WOW! Internet service that you have subscribed to is subject to terms and conditions and use policies, which you must accept in order to use the service. Before using the WOW! Internet Service (which includes wired and wireless connection types delivered by WOW!), you should carefully review WOW!'s use, copyright and other policies, as well as the other terms and conditions of subscription. The WOW! Internet Acceptable Use Policy and Copyright Policies, and Terms and Conditions of Subscription are available for your review online by clicking on the "Terms & Conditions" link at the bottom of wowway.com. By establishing an account, installing, activating or using the service, or otherwise indicating your agreement to the Terms or intention to use the service, you agree to be bound by the Terms (including any amended, revised or restated terms) and to use the service in compliance with the Terms, including any acceptable use, network management or other policy established by WOW!. If you provide us with a phone number or email address, you agree that we may call, text or email you, which might include autodialed calls and texts, and/or pre-recorded or artificial voice messages.

Self-Installation of Equipment & Services: For some services and in some market areas, WOW! may allow (or require) self-installation and activation of WOW! Equipment to be used in connection with WOW! services. If you have agreed to self-install equipment to be used in connection with WOW! services, you further agree that: (A) you will adhere to the self-installation requirements specified by WOW!, which will be provided to you, at WOW!'s discretion: (i) as written instructions included as part of the self-installation kit provided to Customer; and/or (ii) within an online, an email or other communication by WOW! to you. In this connection, you agree that WOW! may require that you provide to WOW! a valid email address (to receive communications from WOW!, including the self-installation instructions) and/or provide a telephone number so that a WOW! technician may assist in the installation process; and/or (iii) on WOW!'s website; and (B) WOW! has no responsibility for the condition, operation, functioning, compatibility, repair, maintenance or any other aspect of the equipment provided by you or others. You will be responsible for your customer provided equipment and any damages (to WOW! equipment, customer equipment or otherwise) that may be caused by you or otherwise result from your failure to adhere to the self-installation instructions; and (C) billing will begin when service is connected by WOW!, whether or not you have installed and activated the Service; and (D) your use of WOW! services is subject to WOW!'s terms of subscription, and acceptable use, network management and other policies that WOW! has implemented in connection with the services; and (E) installation and/or activation fees may apply. If you are unable for any reason to successfully install your equipment, please contact us and we will assist you in your installation, which may require an additional installation charge.

WOW!® TV Pro Features Guide

With a dedicated remote and a live TV channel guide, WOW! TV Pro with YouTube TV combines the latest 4K technology with a traditional cable-free live TV experience. WOW! TV Pro gives you a familiar and easy way to watch your local channels, sports, and news with YouTube TV. Plus, it brings all your streaming services together in one place - no more switching inputs and never-ending menus.

WOW!®

YouTubeTV

Watch YouTube TV Easily

The **WOW! TV Pro remote** has been specially designed to make watching YouTube TV easy, with quick buttons for easy access.

YouTube TV App

Open YouTube TV from the Google TV home page or while in any other app.

Home

Go to YouTube TV's home page with programming recommendations.

Live

View the live YouTube TV program guide.

Channel Up & Down

Move to the next or prior channel on your program guide.

Last Channel

Return to the last program you watched.

Library

View a list of your recorded and purchased programs for YouTube TV.

Add to Library

Record a YouTube TV program you've selected.

Multiview

View a channel with others on one screen together in YouTube TV.

Views

Read real-time team and player stats while watching a sports program on YouTube TV.

The **WOW! TV Pro remote** has additional buttons and features to make using Google TV and searching even better!

Google TV Home

Go to the Google TV home page.

Netflix & Prime Video Apps

Launch Netflix and Prime Video with one click.

Profile Switcher

Quickly change profiles in a multi-person household.

Google Assistant

Use voice commands to control your TV.

Cross App Search

Search across all your apps and get personalized results.

Voice Match

Identifies your voice from others and personalizes search results and recommendations based on your history.

Access All of Your TV Programs in One Place

The WOW! TV Pro pulls together all your favorite programming in one place via Google TV. Whether it's YouTube TV, Netflix, Prime Video, Disney+, MAX, or any other service linked to your Google Account, you can access them all with the same great viewing features that YouTube TV has. No more trying to remember which streaming service offers which programs!

Just link your accounts to the same Google Account and Google TV will do the work for you.

Home

Google TV's home page with programming recommendations.

Live

A guide for live programming from all your apps.

Library

All purchased, rented or recorded content from all your apps.

Apps

A centralized hub of all your apps, plus a shortcut to the Google Play store so you can download more apps and even games.

More Programming

Hundreds of additional live channels are available for free on the Live page.

For You

Google TV curates programming based on your viewing habits in all your streaming services. It suggests movies, TV shows, and other entertainment tailored to your tastes.

Make Your WOW! TV Pro Even Smarter

The WOW! TV Pro can even be integrated into a **Google Home** setup and controlled from your phone.

The **Google Home** app is a single place to set up, manage, automate, and control thousands of compatible devices in your home. Create custom routines for your WOW! TV Pro that can automatically turn it on - plus other compatible devices. You can also ask the TV Pro to tune in to the weather and news channels, and more.
