**Agreement to Terms and Policies.** The WOW! Internet service that you have subscribed to is subject to terms and conditions and use policies, which you must accept in order to use the service. Before using the WOW! Internet Service (which includes wired and wireless connection types delivered by WOW!), you should carefully review WOW!'s use, copyright and other policies, as well as the other terms and conditions of subscription. The WOW! Internet Acceptable Use Policy and Copyright Policies, and Terms and Conditions of Subscription are available for your review online by clicking on the "Terms & Conditions" link at the bottom of wowway.com. By establishing an account, installing, activating or using the service, or otherwise indicating your agreement to the Terms or intention to use the service, you agree to be bound by the Terms (including any amended, revised or restated terms) and to use the service in compliance with the Terms, including any acceptable use, network management or other policy established by WOW!. If you provide us with a phone number or email address, you agree that we may call, text or email you, which might include autodialed calls and texts, and/or pre-recorded or artificial voice messages.

**Self-Installation of Equipment & Services:** For some services and in some market areas, WOW! may allow (or require) self-installation and activation of WOW! Equipment to be used in connection with WOW! services. If you have agreed to self-install equipment to be used in connection with WOW! services, you further agree that: (A) you will adhere to the self-installation requirements specified by WOW!, which will be provided to you, at WOW!'s discretion: (i) as written instructions included as part of the self-installation kit provided to Customer; and/or (ii) within an online, an email or other communication by WOW! to you. In this connection, you agree that WOW! may require that you provide to WOW! a valid email address (to receive communications from WOW!, including the self-installation instructions) and/or provide a telephone number so that a WOW! technician may assist in the installation process; and/or (iii) on WOW!'s website; and (B) WOW! has no responsibility for the condition, operation, functioning, compatibility, repair, maintenance or any other aspect of the equipment provided by you or others. You will be responsible for your customer provided equipment and any damages (to WOW! equipment, customer equipment or otherwise) that may be caused by you or otherwise result from your failure to adhere to the self-installation instructions; and (C) billing will begin when service is connected by WOW!, whether or not you have installed and activated the Service; and (D) your use of WOW! services is subject to WOW!'s terms of subscription, and acceptable use, network management and other policies that WOW! has implemented in connection with the services; and (E) installation and/or activation fees may apply. If you are unable for any reason to successfully install your equipment, please contact us and we will assist you in your installation, which may require an additional installation charge.

## Customize Your Experience

When you first log-in to YouTube TV, you'll be prompted to customize your viewing experience. If you prefer to set these up later, you can always come back to customize your YouTube TV experience. Have more questions about YouTube TV? Visit: [wowway.com/help-center/tv-streaming-apps](https://www.wowway.com/help-center/tv-streaming-apps).

### Tip #1: Organize Your Channels

Since YouTube TV does not have channel numbers, organizing your favorite channels makes it easy to get to them:

- Place favorite channels at the top of the Live Guide
- Organize channels in groups for easy channel surfing: local channels, news channels, sports channels, etc.

**How to change your channel order:**

1. From your mobile device or computer, select the **Live** tab
2. Next select **Sort**, then **Edit** by the **Custom** option
3. Click on  to move a channel to the Top Channels section
4. Select **=** to change the order of channels
5. Click on  to hide a channel you don't watch

### Tip #2: Record Your Favorite Programs

Recording programs lets you access your favorite shows easily, view them on your schedule and skip commercials. YouTube TV's Library stores your recordings and purchases.

- Tap **+** to record all current and upcoming airings
- Access your shows by selecting **Library** at the top of the YouTube TV screen

**Where to find the + icon:**

- Click a program's image in the Live Guide, Home Page
- Or press down arrow while watching a program
- Or select the icon below a program's image

### Tip #3: Check out the Home Tab

YouTube TV's Home tab gives you personalized access to special features:

- **Top Picks:** The more you watch, the more it learns, the better the recommendations become. You help by clicking on and selecting **Don't show me this**.
- **Multiview Combos:** Pick a channel with Multiview enabled to watch up to 4 channels on your screen at the same time - like news, weather, or sports.
- **Recommended Shows, Movies and Memberships:** Add to your library or subscribe to new services that match your taste.
- **Top News & Sports:** YouTube TV sifts through the clutter and highlights the most important news and sports updates and shows.

### Tip #4: Create Personal Profiles

Create up to 6 different profiles so each member of your family has their own:

- Custom live guide
- Personal library & unlimited DVR space
- Personalized recommendations on the Home tab

**How to set up a profile:**

1. Select your profile picture, then **Settings**, then **Family Sharing**, then **Manage**
2. Send invitations to up to 6 family members
3. Family members then accept the invitation and set up their personal settings
