

WOW! tv+ Features

Google Integration

Google Assistant Voice Remote

Say it to see it.

Easily find your favorite content by holding down the Google Assistant button on your remote and say what you're looking for.*

Google Play Store

Play on.

Enjoy quick access to the Google Play store from your WOW! tv+ home menu to explore, download, and enjoy all your favorite apps like YouTube, Pandora, and more. Just go to your home screen, then Apps & Games to access the Google Play Store from your WOW! tv+ menu.^

The Modern User

WOW! tv+ App

One app to stream it all.

Watch your favorite movies and shows anytime, anywhere. Just download the Watch WOW! app from the Apple or Google Play store and log-in to your WOW! tv+ account. Haven't set up your WOW! Online Account Manager yet? Go to login.wowway.com to get started.

Bring Your Own Device (BYOD)

Watch all your favorite content on any iOS, Android, and Amazon Fire TV Stick device.

Streaming Integration

All together now.

Press the Home button on your remote then go to Apps & Games to access all your streaming services – like Netflix, Hulu, YouTube and Amazon Prime – in one place. Plus, get quick access to hundreds of apps in the Google Play Store.

Watching & Storing

HD

The best views.

Whether you're watching a movie, show, local channel, or your favorite team, WOW! tv+ automatically adjusts to the best HD viewing experience available.

Channel Lineups

All the TV.

Different packages mean entertainment options that meet your changing needs. To see what channels are available in your package and area, go to wowway.com/support/tv/channel-lineups or reference the physical channel guide your WOW! technician left behind.

WOW! On Demand

Seemingly endless content.

Kick back and relax with instant access to thousands of movies, hit TV shows and kids programming that's ready to watch any time. To get started, select On Demand from the home screen.

DVR

Keep on keeping.

Watch what you want, when you want. DVR gives you the freedom to record multiple programs at once, schedule a future recording, one touch record and even return to live TV while watching a recording.

Start Over

Back it up.

Miss the beginning of your favorite show? Don't stress. With Start Over, you can go back to the beginning of a live show to catch the whole thing. From the TV Guide you'll see a circular arrow icon that indicates the show is available for Start Over.*

Catch Up

The most powerful rewind button ever.

With the Catchup feature, you can go watch programs that have aired up to 72 hours ago.*

Navigation & Control

Interactive Program Guide

Quickly and easily find what you're looking for with the onscreen interactive program guide which is accessed from the home screen or by using the Guide button on your remote.

Channel 0 Menu^

Wondering what's on? Press Channel 0 to see what's on Live TV based on categories. You can even create and view your favorite channels.

Parental Controls

Modern kids require modern solutions.

Use WOW! tv+ parental control features to give you flexibility and control and restrict content on a rating level. You can easily manage parental controls on your online account at login.wowway.com.

^Available with participating programmers.

You must lease a minimum of one WOW! tv+ box to receive WOW! tv+ service. WOW! tv+ requires a WOW! tv+ box (or other approved equipment) on each TV and a subscription to WOW! Internet (100Mbps or greater) and TV service. WOW! is not responsible for the operation, function, repair, maintenance or other aspects of a Customer Owned Device. WOW! may change approved Customer Owned Devices at any time. Customer Owned Devices will not function with WOW! tv+ until WOW! Internet and cable television services have been installed and activated. Some WOW! tv+ Services, features or functions may be unavailable or may vary (by device or geography, for example), when accessed with a Customer Owned Device. In addition, if your Customer Owned Device requires wireless data services and is located in an area where it cannot access such services, you may not be able to access the WOW! tv+ Services or certain features with your Customer Owned Device. Use of Amazon Fire TV requires that customers sign up for an Amazon free account or Amazon Prime account, which may have additional terms of use, restrictions, conditions and policies.
