F22

Maverick Comfort AT. Your strong partner.

The *Maverick Comfort AT* was designed for active users who navigate varied indoor and outdoor environments and place a high value on effortless walking and the ability to go wherever life takes them.

Product features

- Low build height
- The fibreglass design delivers a high degree of durability and flexibility without limiting energy return
- Split forefoot and rearfoot springs for enhanced adaptation to terrain
- A full length, unbolted sole plate ensures a smooth stance phase rollover
- Protected against fresh, salt and chlorinated water

More than a foot.
A foundation.
