# VS4 Kintrol.

## Move safely on the go.

The *Kintrol* was designed for less active to moderately active users who mainly navigate indoor environments and use a walking aid outdoors, and place a high value on reliable support from their prosthetic foot.

### Product features

- Hydraulic prosthetic foot
- Full length fibreglass spring provides the required stability and a soft rollover
- 12° range of motion (2° DF, 10° PF): increased range of motion for a more natural gait pattern and more stable standing
- The active dorsi-assist spring ensures ground clearance during the swing phase, which can help prevent the toes getting caught
- The Kintrol is lowered to the floor when sitting for a more natural look.
- Custom heel stiffness for a better balance thanks to four different heel wedge options
- Weatherproof

More than a foot.  
A foundation.

### Technical data

K-Level / Mobility grade	1, 2
Max. body weight	300 lbs / 136 kg
Side	left (L), right (R)
Sizes	23-30 cm
