

R16 Renegade LP-AT

The R16 Renegade LP-AT is suitable for active and highly active users in mobility grades 3–4 with a body weight of up to 166 kg.

Product features:

- The EnduraCore® technology offers high durability and energy return
- The split-toe design provides +/- 15° pronation and supination for improved stability
- Z-Shock-Technology reduces shear forces affecting the skin in the socket, enhancing user comfort
- Low build height
- Lightweight construction
- Protected against fresh, salt and chlorinated water

More than a foot.
A foundation.
