softseat

**Comfortable, fully supportive
seating for the home.**

Everyone deserves the ability to sit comfortably and be relaxed at home.

The new softseat combines a fully custom contoured foam seat, with a beanbag to provide full postural support for individuals who require more positioning when seated.

This seat will be ideal for young children, teenagers or small adults with postural requirements, as they can feel fully supported when relaxing with family and friends, encouraging social interaction whether at home, school or in a residential setting.
