28A23 UCAST Orthosis for Wrist, Forearm

UCAST is a pre-made super-splint that consists of two parts, a 100% biodegradable splint and a cohesive fabric bandage.

Used for indication: Colles/Bartons/Chauffeur/Scaphoid/Carpal/MC fractures

Key features

- For malposition of joints as well as fractures
- From clinically tested aspen wood chips and sustainable polymer
- Quick forming in just 3 to 5 minutes
- Short curing time (about 5 to 10 minutes)

Technical data

Article number	Perforation	Colour	Package contents	Quantity unit
28A23=N-M	medium (MP)	Black	10 piece(s)	Package

28P213 UCAST Orthosis for Metacarpal

UCAST is a pre-made super-splint that consists of two parts, a 100% biodegradable splint and a cohesive fabric bandage.

Used for indication: MC IV-V fractures/II-III MC fractures

Key features

- For malposition of joints as well as fractures
- From clinically tested aspen wood chips and sustainable polymer
- Quick forming in just 3 to 5 minutes
- Short curing time (about 5 to 10 minutes)

Technical data

Article number	Perforation	Colour	Package contents	Quantity unit
28P213=N-U	medium (MP)	Black	10 piece(s)	Package

28P228 UCAST Orthosis for Thumb, short

UCAST is a pre-made super-splint that consists of two parts, a 100% biodegradable splint and a cohesive fabric bandage.

Used for indication: UCL/MC I Fracture/Phalang fractures

Key features

- For malposition of joints as well as fractures
- From clinically tested aspen wood chips and sustainable polymer
- Quick forming in just 3 to 5 minutes
- Short curing time (about 5 to 10 minutes)

Technical data

Article number	Perforation	Colour	Package contents	Quantity unit
28P228=N-U	medium (MP)	Black	10 piece(s)	Package

28P229 UCAST Orthosis for Thumb, long

UCAST is a pre-made super-splint that consists of two parts, a 100% biodegradable splint and a cohesive fabric bandage.

Used for indication: UCL/MC I Fracture/Phalang fractures

Key features

- For malposition of joints as well as fractures
- From clinically tested aspen wood chips and sustainable polymer
- Quick forming in just 3 to 5 minutes
- Short curing time (about 5 to 10 minutes)

616S143 Edging tape, self-adhesive

For finishing any hard edges.

Technical data

Article number	Colour	Length	Width	Package contents	Quantity unit
616S143=7500X30-7	Black	7,5 m	3 cm	2 piece(s)	Package

616S142 Airpadding, self-adhesive

A unique self-adhesive padding material, that is extremely lightweight, breathable and easy to work with.

Technical data

Article number	Colour	Length	Width	Quantity unit
616S142=3500X400-7	Black	350 cm	40 cm	Roll

623Z301 WOODCAST Hook

Adhesive Hook for orthoses that offers a unique, strong hold.

Technical data

Article number	Colour	Length	Width	Package contents	Quantity unit
623Z301=50-7	Black	22,8 m	50 mm	1 piece(s)	Roll

623Z302 WOODCAST Loop, elastic

Elastic loop for making orthoses.
Use together with Hook.

Technical data

Article number	Colour	Length	Width	Package contents	Quantity unit
623Z302=25-7	Black	7,5 m	25 mm	2 piece(s)	Package
623Z302=50-7	Black	16 m	50 mm	1 piece(s)	Roll

623Z303 WOODCAST Loop

Non-elastic loop for making orthoses.
Use together with Hook.

Technical data

Article number	Colour	Length	Width	Package contents	Quantity unit
623Z303=50-7	Black	22,8 m	50 mm	1 piece(s)	Roll

616S144 Soft sling with Y-hooks

Supports the arm without chafing the neck. Comes with 28 Y-hooks.

Technical data

Article number	Colour	Length	Width	Package contents	Quantity unit
616S144=12000X50-7	Black	12 m	5 cm	2 piece(s)	Package

719S27 WOODCAST Scissors

Durable scissors that stay sharp for a long time.

Technical data

Article number	Colour	Package contents
719S27=1	Silver	1 piece(s)

759H6 Heatingplate Low temperatur thermoplast

Flatbed heater for heating UCAST and WOODCAST to the processing temperature. Two devices can be connected to process larger thermoplastics.

Technical data

Article number	Colour	Package contents
759H6=1-1	Grey	1 piece(s)

759H7 Express heater

Express Heater to heat UCAST and WOODCAST to processing temperature within a few minutes.

Technical data

Article number	Colour	Package contents
759H7=1-1	White	1 piece(s)
