Trial Units

The L300 Go Rental is to allow patients suffering from drop foot to trial the L300 Go device for 1 month with the possibility to extend to 2 or 3 months. The rental unit is not for sale and has to be returned after the specified rental period.

The rental package includes

- L300 Go for lower leg (If you require thigh cuff please select SMR-PK=16-1)
- Shipping cost from Ottobock Australia to a customer
- Refurbishment cost
- Warranty on all components

What is not included (refer to page order form)

- Electrodes - 2 electrodes are needed for 1 month rental
- Base Set for Hydrogel Electrodes and Round Cloth Electrodes, provided these are used
- Thigh Cloth Electrode, Centered - 2 electrodes are needed for 1 month rental

NOTE: If you do not have stock of electrodes please fill in the order form on page 3.
