

# Terms of use Arquitectura y Concreto

## 1. Declaration of acceptance of the terms and conditions

The applicable terms and conditions for accessing, consulting, or using this Website and connection to another Site are set out below.

By accessing this Website and "browsing" it, you express your acceptance of these terms and conditions and your consent to submit to its provisions. If you do not agree in whole or in part to these terms and conditions, you can leave the Site.

Arquitectura y Concreto S.A.S can freely modify these terms and conditions at any time without prior notice, which will be available on this Website so that you can consult it periodically.

## 2. Content's ownership

The ownership of the content of this Website belongs to Arquitectura y Concreto S.A.S, its subsidiaries, or in which Arquitectura y Concreto S.A.S. be a member or have an interest direct.

The brands, names, graphics, images, drawings, plans, designs, and any other type of intellectual property contained in this Website, as well as its contents, including but not limited to texts, graphics, music, sound, photographs, videos, images, logos, icons, software and any other material ("The Content") is protected under national copyright laws, industrial property laws and other applicable laws.

The unauthorized use of the Content may constitute a violation of Colombian or foreign laws on copyright, industrial property laws, or other laws. Consequently, the Content may not be used, modified, copied, reproduced, transmitted, or distributed under any condition unless there is prior, express, and written consent of Arquitectura y Concreto S.A.S. or the legitimate owner of the Content.

## 3. Use of the Website

Arquitectura y Concreto S.A.S. maintains this Website exclusively for its users and clients' entertainment, information, and education. You access this Site freely and at your own risk.

The use, access, or navigation on this Website by its users must be done taking into account, among others, the following particular conditions.

Must comply with all laws, rules, and regulations applicable to the use, access, and consultation of Internet Sites.

It is prohibited to distribute, modify, alter, copy, transmit, publish, reverse engineer, sell, or use the Content in any way.

It is prohibited to include material that is obscene, defamatory, abusive, threatening, vulgar, racist, scandalous sexist, provocative, pornographic, irreverent, offensive, political and religious for Arquitectura y Concreto S.A.S. third parties or any other user or that constitutes a crime or criminal conduct under current laws.

If this restriction is breached, Arquitectura y Concreto S.A.S. will collaborate with the corresponding investigations authorities.

It is prohibited to take advantage of this Website to carry out any commercial, religious, political propaganda activity of any nature, advertise unauthorized goods or services, and promote membership in groups or organizations not previously authorized by Arquitectura y Concreto S.A.S.

It is prohibited to use this Website to insert, send, distribute or transmit any virus or any cyberattack or potentially harmful computer program, as well as any program that has the purpose of damage the operation, access, use, or Content of this Website, or preventing or limit the access or use of it by other users. Arquitectura y Concreto S.A.S will contribute with the authorities to carry out the corresponding investigations.

Is prohibited downloading The Content without the express authorization of Arquitectura y Concreto S.A.S. so users may only download The Content specifically available for download.

Arquitectura y Concreto S.A.S reserves the right to deny or suspend access to the Website by any user who is unaware of these terms and conditions, without the need for prior notification. Likewise, Arquitectura y Concreto S.A.S. reserves the right to withdraw, delete or modify any part or all of the information published or sent by users if, in its opinion, such information is inappropriate, illegal, inconvenient, or contrary to these terms and conditions.

#### **4. Information or materials of the Website's user**

Arquitectura y Concreto S.A.S. may freely use the information, personal data, images, or any content sent, published, or uploaded by users on the Website for any purpose related to its business activity. Regardless of whether or not they are confidential or constitute the intellectual property of the user or the user has any right to use or dispose of it because by sending or uploading them to the Website, it is understood that the user is authorizing Arquitectura y Concreto S.A.S. to use, at its discretion, that information or content. Therefore the sender of the content waives any claim or compensation to which it may be entitled derived from its use.

By publishing or sending the information, it is understood that the user is granting Arquitectura y Concreto S.A.S. an irrevocable and permanent right and license, worldwide, to use said content for the purposes and purposes that Arquitectura y Concreto S.A.S. deems appropriate for their business interests, including the formation of databases, disclosure to third parties, use of the information for their plans of marketing, among others.

The user must have the necessary legal or conventional authorization to send or publish the information in question and undertake not to violate any intellectual property norm or any other nature with the sending or publication.

If access to the Website is done through the use of a registered user and password, the owner of that User and Password will be responsible for any information or act done by this medium. The User and Password owner undertakes to make legitimate use of it and not reveal it to third parties.

Arquitectura y Concreto S.A.S. does not grant express or implicit guarantee, of any nature, regarding the integrity, accuracy, or reliability of the information sent or published by users, nor does it validate, support, or endorse the opinions or comments expressed by users. Arquitectura y Concreto S.A.S does not undertake to review such information previously or to audit or monitor it.

## **5. Connection with other Websites**

Eventually, this Website will have a connection with other Internet sites owned or operated by third parties. That connection is made solely and exclusively for the convenience of the user. Arquitectura y Concreto S.A.S. is not responsible for the content, information, effects, or damages of any kind that the user may suffer due to the connection with those sites.

The user through this connection declares that he accesses them at his own risk and account and renounces any claim or compensation right that he may exercise or attempt to exercise, under any jurisdiction, against Arquitectura y Concreto S.A.S. and declares that any eventual compensation action may have it will only exercise it against the owner or operator of that Website, under the terms, scope, and conditions defined by said owners or operators.

## **6. Limitation of responsibility**

Arquitectura y Concreto S.A.S. does not guarantee the content, accuracy, or integrity of the data included in this Website or its functionality. It also does not guarantee that The Content will serve a specific purpose or guarantee any particular results with such content.

The company does not guarantee that the servers on which the Website operates will be free of errors or viruses that may affect the user or that access to it can be secured anywhere.

Arquitectura y Concreto S.A.S. expects you to use due caution and diligence when accessing this Website. Nothing included in it can be considered professional advice or advice of any kind. You should be informed that you must first consult with your own advisers before making any decision considering the information found. Arquitectura y Concreto S.A.S is not responsible for any decision you take considering the information on this Website. Under no circumstances, Arquitectura y Concreto S.A.S, the operator of the Website or any provider of Arquitectura y Concreto S.A.S. They will be responsible for the information contained in it, for the operation of the Website itself or access and operation.
