BREAKING NEWS: Plants give woman SUPERPOWERS

A woman has discovered that she's able to fly, after springing into flight on a recent jog. She told us 'It must be from all the vegan dishes I've been eating at Frankie's, there's no other reason for it'.

She now enjoys a quick 10 minute flight in the morning when she wakes up and can get to work in a fraction of the time if she flies – all thanks to getting her daily plant-based fix.
