A lot can change in 30 years, but your roof doesn't have to. With a track record of just over 70 years and the backing of BMI Technical Centre, we are proud to introduce our **30 Year Roof Tile Guarantee**.

Your roof is your protection from the elements, your shelter and with our guarantee, your peace of mind. Our concrete range is guaranteed against the event of damage to the weather resistance of the product resulting from a manufacturing defect. In the unlikely event that damage occurs, BMI Coverland will repair the affected product for the lifetime of the guarantee.

INTENSE PRODUCT TESTING

Our roofing products are tested in a wind tunnel unique to the industry, simulating wind and rain conditions found in a wide range of climate zones worldwide, including situations which typically arise only every 50 years. BMI only releases the new roofing materials when all trials as well as several hardness and long-term ageing tests have been successful.

Traditionally shaped, the Taunus concrete tile provides a striking, bold effect that blends into both historical and modern environments.

SECURE YOUR ROOF

BMI Coverland offers quick and easy to install storm clips and nails for fast and professional securing of concrete and clay tiles. Our clips match the respective tile profiles exactly to provide reliable and durable protection against wind upliftment and slipping with an added security benefit against intruders entering the roof. See our Technical Guide for your area's specifications.

DISCLAIMER: The colour of these illustrations may vary due to the printing process. BMI Coverland recommends that you view actual tile samples before reaching a purchase decision. Special colours are available on request at a minimum quantity order. **30 year roof tile guarantee:** T's & C's apply. For more information please contact your sales representative or email us at info.sa@bmigroup.com

TILE FINISHES

Through Colour

A single-shaded base colour throughout the roof tile displays a distinct surface.

Farmhouse

The through colour tile is accentuated by a second colour, randomly applied to give it a natural rustic appearance.

Vivid

Our vivid tiles have an enriched body colour without the addition of a coating. Available in all standard colours shown.
