Section 8 – Investment authority for IMA Service – Model Portfolios

This is your Investment Authority if you choose to invest in the discretionary investment management service Model Portfolios through the IMA Service.

By signing the Client Declaration on page 11, you authorise Fisher Funds to manage your Model Portfolios in accordance with this Agreement, including this Investment Authority, the Service Disclosure Statement and the relevant Investment Proposals provided to you in respect of the discretionary investment management service.

I give Fisher Funds authority to invest and make decisions for my Model Portfolio following the current investment strategy set for the Model Portfolio(s) I have selected under Section 3: Investment Options and Fees of this Agreement.

I agree that Fisher Funds may invest in a portfolio for me on the basis of the Model Portfolio(s) I have selected as follows:

- In the asset types for the relevant Model Portfolio(s) described in the relevant Investment Proposal(s) and through the types of investments described in the relevant Investment Proposal(s); and
- To the target investment mix and in the proportions described in the Investment Proposal for each relevant Model Portfolio.

I agree that the investment objectives of the Model Portfolio(s) described in the relevant Investment Proposal(s) will apply to my portfolio.

I agree that Fisher Funds may rebalance my portfolio on a monthly basis to ensure it matches the pre-set investment allocations for the Model Portfolio(s) I have selected as described in the Investment Proposal(s) for the relevant Model Portfolio(s).

I agree that Fisher Funds chooses the Investments and target asset allocations for each Model Portfolio and these may change without notice to me.

I acknowledge that there are no limits on the nature or type of investments that may be made, or the proportion of each type of asset invested in.

I agree to receive all information Fisher Funds and the Custodian are required to provide me at law through an electronic facility.

Fisher Funds (the investment provider) may assign this Agreement or any of its rights or interests under this Agreement without prior notice to you or your consent.

Fisher Funds' Chief Investment Strategist (CIS) is responsible for setting the asset allocation for each Model Portfolio investment strategy, determining the mix of Fisher Funds' managed funds or other investments used to create each model portfolio investment strategy, and ensuring that instructions are provided to the Custodian to rebalance the portfolios when required. The CIS undertakes regular reviews of the performance of the Model Portfolios against their stated objectives and amends the investment strategy and asset allocations as necessary to achieve the desired results.

You will receive regular reporting from your financial adviser in respect of your investment. The Custodian will make available to you reporting directly either through an electronic facility on a substantially continuous basis or by way of email or post every six months, to confirm your portfolio's value. Information applying to you as the investor, including your portfolio's value, will be made available to you by Fisher Funds (or on Fisher Funds' behalf) by way of regular reporting either through an electronic facility on a substantially continuous basis or by way of email or post every three months.

Neither Fisher Funds nor the Custodian has any obligation to forward you or take any action whatsoever in connection with reports, notices, proxies and other communications received in respect of any investments.

You may not give instructions to Fisher Funds to exercise rights over the financial products that make up your portfolio (for example, a right to vote at meetings of product holders).

The Custodian is responsible for processing any income or other benefits arising from the holding of your Investments through your Account.

Details of how you can contact Fisher Funds are in Section 10 of the Service Disclosure Statement.

1. Introduction

- 1.1. Fisher Funds Management Limited (Fisher Funds, Manager, we, us or our) agrees to provide you with portfolio management services and access to custody and administration services in respect of your Investments held through the IMA Service on the terms and conditions set out in this Agreement.
- 1.2. The IMA Service is designed for the holding and administration of long-term investment portfolios. Due to its nature it is not a suitable vehicle for the short-term trading of securities.
- 1.3. The IMA Service offers the following portfolio and service options:

We may remove or replace the Custodian by terminating our agreement with the Custodian at any time by giving six months written notice. In the event that we terminate our agreement with the Custodian and appoint a new custodian, we will assess potential replacements in terms of a number of factors including their reputation and standing in the industry and their ability to comply with all requirements of the Financial Markets Conduct Act 2013, amongst others. We will also assess any potential Custodian's fit with our organisation in terms of their client service capabilities and values. As at the date of this Agreement FNZ Limited is the Custodian of the IMA Service. The Custodian was appointed by the previous provider of the IMA Service following its process at the time;

- 4.1.6. deal with the Custodian, bank or any other person concerning money and Investments held on your Account;
- 4.1.7. take any action concerning money or Investments held on your Account which you have authorised us to take under this Agreement, without obtaining your specific instructions in respect of such action; and

- 6.5. Your Adviser will pass instructions on to the Custodian on a reasonable endeavours basis. While this will generally be on the day of receipt, this may not always be the case and there is no guarantee that processing cut off times on any given day will be met.

7. Fees

Administration fee

- 7.1. An Administration Fee will be charged monthly for services we provide to you under this Agreement. The Administration Fee is set out in the Application and the per annum amount of the Administration Fee is charged on a sliding scale depending on your account balance. The Administration Fee includes the fees (other than the Custodian Cash Management Fee, defined below) charged by the Custodian (details of which can be found in the Custodian's Disclosure Statement). The Administration Fee is calculated daily as a percentage of the total value of your Portfolio (excluding your Cash Management Account balance), so the Administration Fee is generally charged on only approximately 97% of your investment, as approximately 3% of your investment will be held in your Cash Management Account, and deducted monthly from the Cash Management Account. The fees are subject to change by written notification to you.

Implementation fee

- 7.2. You may agree to pay your Adviser an Implementation Fee as noted in the Application for services they provide in connection with establishing your Account (plus GST if applicable). This fee is deducted from your Cash Management Account and may be either a percentage of your initial investment or a fixed dollar amount.

Monitoring fee

- 7.3. You may agree to pay your Adviser a Monitoring Fee as noted in the Application (plus GST if applicable) for providing you with advice and services in relation to your Investments. The maximum fee payable is 1% per annum, and is to be agreed with your Adviser. The Monitoring Fee will be calculated daily as a percentage of the total value of your Investments (excluding your Cash Management Account balance and any External Holdings) and deducted monthly from your Cash Management Account. The Monitoring Fee can be changed by agreement between you and your Adviser.

Custodian cash management fee

- 7.4. A Custodian Cash Management Fee is deducted from the interest earned on the cash balance held in your Cash Management Account by the Custodian. The Custodian Cash Management Fee payable is up to a maximum of 0.85% p.a. (plus GST, if applicable). The Custodian Cash Management Fee is calculated daily on the cash balance held in your Cash Management Account and paid monthly from the bank account your Cash Management Account is invested in. The Custodian Cash Management Fee will vary without notice to you. See the FNZ Limited disclosure statement for more details of the Custodian Cash Management Fee.

In-fund fees and expenses

- 7.5. To the extent Fisher Funds' managed funds are included in the Model Portfolios, Fisher Funds rebates any management fees it receives from those investments. In addition, there are In-Fund operating expenses (such as trustee, custody, registry and audit costs) incurred in those managed funds, and a performance fee may be charged in the Fisher Funds Property & Infrastructure Fund which is included in certain of the Model Portfolios. These expenses and the performance fee (to the extent it is able to be charged) are paid by the managed funds and affect the investment performance of the managed funds. The In-Fund operating expenses and the performance fee are not rebated by Fisher Funds.
- 7.6. Fisher Funds is entitled to be paid a performance fee where performance of the Fisher Funds Property & Infrastructure Fund exceeds the fund benchmark. The amount of the performance fee, and whether or not it can be charged, depends on the level of the fund's performance. The method for calculating the performance fee is 10% of returns in excess of the Official Cash Rate +3% plus GST, subject to a High Water Mark. A High Water Mark is set to ensure that Fisher Funds is only rewarded for investment performance once and is not entitled to a performance fee when recovering any losses that may have been incurred. The High Water Mark must be exceeded before any performance fee may be charged.

Accepting instructions

- 8.3. You may not give instructions directly to the Custodian. The Custodian will accept instructions only from your Adviser or us. The Custodian shall at their discretion and without any liability on their part, rely and act upon any instructions received from your Adviser and you shall be bound by those instructions.
- 8.4. We will accept instructions only from your Adviser. In certain exceptional circumstances and at our discretion we may accept instructions from you or an Authorised Person. We shall at our discretion and without any liability on our part, rely and act upon your instructions and you shall be bound by those instructions. You may not give instructions to Fisher Funds to exercise rights over the financial products that make up your Portfolio (for example a right to vote at meetings of product holders).
- 8.5. Your Adviser, and us in the exceptional circumstances referred to in 8.4, will pass instructions on to the Custodian on a reasonable endeavours basis. While this will generally be on the day of receipt, this may not always be the case and there is no guarantee that processing cut off times on any given day will be met.
- 8.6. Instructions will be accepted either in writing (email or post), by telephone, by personal attendance at our offices or in such other manner (including by alternative electronic means) as we may previously have agreed with you, but in each case such instructions must be properly communicated to us. You may be asked to recite personal information as specified in your Application or other documents provided to us in order to verify your identity. The provisions of clause 27 apply to the deemed time of receipt of any written instructions.
- 8.7. Neither we nor the Custodian are under any obligation to verify the authenticity or accuracy of any instruction or purported instruction and may act on any instruction from any person that either reasonably believe to be you or an Authorised Person.
- 8.8. Both we and the Custodian reserve the right not to act on a particular instruction given, or purported to be given, by you, an Authorised Person or your Adviser for any reason whatsoever, and may defer action or seek further information as we see fit. In any such event we will not be liable for any price movements or fluctuations or any other loss, cost or expense suffered or incurred by you as a result of us not acting on that instruction, or otherwise arising in connection therewith.

- 8.9. Your instructions cannot be revoked once they have been acted upon. Both we and the Custodian may at our discretion, in certain circumstances, accept a modification to those instructions (other than a modification to the currency of settlement).
- 8.10. Instructions received by the Custodian will be implemented by the Custodian undertaking the relevant Transaction on your behalf in accordance with the relevant convention of the market concerned from time to time in force.

Aggregation of orders

- 8.11. The Custodian may combine your order with orders for other clients. Orders will be aggregated only where this is reasonably believed to be in the best interests of clients but may on some occasions result in you obtaining a less favourable price than separate execution. Any aggregation of an order for you with an order for one or more other clients gives you no interest in any other client's order or Investments.

Payment by you

- 8.12. Before effecting any purchase (in any currency) you are required to deposit cleared funds in your Cash Management Account by agreed means for the full amount of the purchase price or other consideration for the Transaction, together with the amount of any applicable fees and charges payable on the Transaction. The Custodian shall be entitled not to act on any instructions where you fail to deposit cleared funds in your Account.
- 8.13. Unless otherwise expressly agreed, a Transaction must be settled in the currency of the market in which the Transaction was or will be effected. For the purposes of any conversion into or from New Zealand dollars, the exchange rate will be that applicable on the date on which the Transaction was effected.
- 8.14. Any dishonour of a payment in settlement of a Transaction will be treated as non-payment by you by the due date.
- 8.15. Where payment is not made by the due date, we may instruct the Custodian to:
- offset any payment against a credit balance in your Cash Management Account,

- 8.16. You hereby grant us and the Custodian an irrevocable power of attorney, exercisable in the event of non-payment by you by the due date, to take such actions as are necessary to dispose of the relevant Investments. If there remains a shortfall you agree to pay any balance owing.

Interest on account

- 8.17. Should any debit balance on the Account arise as a result of your non-payment by the due date of any amount payable to us under this Agreement, we may charge, and you shall pay if so charged, interest at the rate calculated on a daily basis that is the aggregate of the 90 day bank bill bid rate plus a margin of 2% per annum, with a minimum charge of \$25 per annum.

- 9.3. We will conduct reviews of the asset allocation of the Model Portfolios to ensure the investment mix remains within the pre-set asset allocations. We may then rebalance the Model Portfolios by instructing the Custodian to buy or sell Investments to reflect the asset allocation being applicable to each Model Portfolio.
- 9.4. If we rebalance the Model Portfolios as described in clause 9.3, and under any relevant law it is necessary for you to be given any disclosure document in respect of those Investments, your Adviser will provide to you the relevant disclosure document before the Investments are purchased for you and you shall be deemed to have acknowledged receipt of such disclosure document.

- ensure that such duties and functions are performed by the Agent in the same manner, and are subject to the same duties and restrictions, as if we were performing them directly; and
- monitor the performance of those functions.

This may involve, amongst other things, your Adviser or Fisher Funds contacting you by email, text message or an online facility or by telephone or post.

Any party to this Agreement may terminate this Agreement by written notice to the others without penalty, but without prejudice to any pre-existing rights or obligations of the parties including, for the avoidance of doubt, completion of any matter to effect and settle a Transaction and payment of any amount due to us on that Transaction.

25.3. Within 14 days after notice of such termination, you shall instruct us to either transfer into your name or the name of your nominated custodian, the balance of all Investments held by the Custodian on your behalf (where practicable) or to liquidate all your Investments within a reasonable time of termination of this Agreement and transfer to your bank account the net proceeds in cash (less any fees owing under this Agreement).

If you have not instructed us to either transfer or liquidate the Investments within such period, or if it is not possible or practicable to transfer the Investments into your name or the name of your nominated custodian, the Custodian shall liquidate the Investments and cause the net proceeds together with any monies held by the Custodian on for you, less any fees owing under this Agreement, to be paid to your bank account.

- 25.6. You further acknowledge that your indebtedness and liability to us shall be continuing until such time as we are satisfied that we have received full and final settlement of payment due on the Investments in respect of those amounts paid to you. You shall fully indemnify us in the event of non-payment or part payment only.
- 25.7. You shall bear all costs and risks of any transfer of your Investments, whether upon termination or otherwise.
- 25.8. If the rate applied to your PIE income is higher than your PIR any tax over-withheld will be used to reduce any income tax liability you may have for the tax year and any remaining amount will be refunded to you.
- 26.2. If Inland Revenue believes your PIR is incorrect, they may provide us with an updated PIR for you. We would then update your account with the new PIR. You can subsequently provide us with a different PIR if you believe the PIR Inland Revenue provided is incorrect.
