

Music 101: The Symphony: From the Beginnings to Beethoven

Wed Jan 14 2026 7:30PM\$8

Walt Disney Concert Hall

With vibrant visuals and many musical examples, Classical California KUSC's Alan Chapman explores the wonders of some of the most popular symphonies. Along the way he'll help you tune in to symphonic form and increase your listening enjoyment.

These music appreciation courses are designed for all audiences, from those who know very little about classical music to those who are lifelong listeners. Choose one or more classes, each of which explores a variety of topics illustrated w [more...](#)
