### Event Description

Alan Chapman, host

Composers find inspiration in many places: literature, visual art, nature, music by other composers, and even insomnia. With many musical examples and vibrant visuals, KUSC midday host Alan Chapman explores these sources of inspiration and how they are translated into music.

Alan Chapman is a composer/lyricist, pianist, radio producer/host (California Classical KUSC, Los Angeles) and educator. Well known as a pre-concert lecturer, Dr. Chapman presents the Preview Talks for Pacific Symphony's Classical Series.
