

# COWSHED

VITADRIP® BY THE ELIXIR CLINIC

VitaDrip® infusions are a blend of high quality vitamins, essential minerals and amino acids, aimed at promoting long-term wellbeing. Administered via an intravenous drip by a qualified nurse, The Elixir Clinic vitamin infusions and intramuscular injections take place in the private treatment rooms of Ned's Club Spa.

## **Anti-Ageing • £350**

A supercharged antioxidant hit to fight signs of ageing. The wide range of nutrients rejuvenate and hydrate the skin, assisting with collagen restoration. The Anti-Ageing VitaDrip® contains B-complex, B-Vitamins, Magnesium, Selenium, Zinc, Glutathione, L-Carnitine, Cystiene, Glutamine, Glycine & Ornithine.

## **Detox • £280**

Perfect for detoxifying the body, the infusion contains amino acids such as Arginine to ensure toxins are reduced, and digestive aids such as taurine to promote gut health. The Detox VitaDrip® contains B-complex, B-Vitamins, Magnesium, Selenium, Zinc, Glutathione, L-Carnitine, Choline, Glutamine & Methionine.

## **Power Up • £250**

The Power Up VitaDrip® is a combination of antioxidants and anti-ageing vitamins; this is ideal for both skin rejuvenation and an energy boost. The Power Up VitaDrip® contains: Vitamin C, B-complex, B-Vitamins, Selenium, Zinc, Glutathione, Cystiene, Glutamine, L-Carnitine & Taurine.

## **INTRAMUSCULAR INJECTIONS**

### **Energise • £50**

This quick intramuscular injection consisting of B12 and B-complex is ideal for those leading fast-paced or busy lifestyles. Energise consists of B12 and B-complex.

*VitaDrip® infusions cannot be administered to pregnant and/or breastfeeding guests.*

## **Youth Boost • £200**

A powerful antioxidant hit; restoring collagen for radiant looking skin. The Youth Boost VitaDrip® contains Vitamin C, B-complex, B12, B5, Magnesium, Calcium, Selenium, Zinc, Glutathione, Cystiene and Glutamine.

## **Jet Lag • £180**

An energy booster to get you feeling refreshed after a long flight. The Jetlag VitaDrip® contains Vitamin C, B-complex, B-Vitamins, Magnesium, Calcium, L-Carnitine and Taurine.

## **Recovery • £180**

Consists of a range of vitamins, minerals and nutrients, perfect for those who lead busy lives. This VitaDrip® contains Vitamin C, B12, B6, B-complex, Magnesium, Calcium, Selenium, Zinc, Phenylalanin and Ornithine.

## **Hydration • £150**

Designed to promote overall wellbeing, especially when you're in need of an immunity boost. The Hydration VitaDrip® consists of: Vitamin C, Magnesium, Zinc, Selenium, B12, B-complex, and Calcium.

## **Hair, Skin & Nails • £50**

An intramuscular injection consisting of Biotin, Vitamin B5 and Folic acid, created to keep hair, skin and nails looking healthy.
