TECH-RELATED EXPERIENCE

MDJ Holdings, LLC DBA DanielJS - Proprietor/Lead Software Engineer - Dallas, TX – Jun 2014 - Present

+ Successfully cultivated a digital agency specializing in web development services, including designing and creating websites/web applications for small businesses and associations. Took the initiative in growing a small local community that offers mentorship for aspiring software developers through workshops and networking.

General Assembly - Lead Software Engineering Instructor - Dallas, TX / Live Online – Nov 2017 - Present

+ Instructed students to become software engineers using a fully immersive program with more than 500 hours of content. Awarded “Distinguished Faculty Member” for exemplary performance and mentorship of junior developers and instructors, and inducted as a member of General Assembly’s Product Advisory Board.

General Assembly Enterprise - Lead Web Development Instructor - Los Angeles, CA – Mar 2018 - Jun 2018

+ Successfully instructed a cohort of 20 Disney employees for the CODE ROSIE: 2.0 women in tech initiative using a custom advanced 12-week curriculum focused on full-stack web development using web technologies such as Express, Node, Python, Django, React, MongoDB, and PostgreSQL.

OTHER EXPERIENCE

JPMorgan Chase Bank - Private Client Banker - Fort Worth, TX - 2007 – 2017

+ Demonstrated excellence in utilizing business teams and customized solutions to enhance client relationships; also served as a sales and career development coach for over a dozen junior colleagues.

U.S. Army Active/Reserve - Sergeant – Squad Leader - Fort Hood, TX – 2004 – 2010

+ Provided armed security for over 100 successful logistic patrol missions in northern Iraq from '05 -'06. Awarded the Purple Heart, Army Accommodation Medal, and the Army Achievement Medal.

EDUCATION

+ **Free Code Camp, Online Curriculum – 2014** Web development certificate: HTML5, CSS3, JavaScript, jQuery, and React.

+ **The University of Phoenix, Online Campus – 2015** Bachelor of Science in Business.
