# BMW SHORTFALL INSURANCE.

## ENSURING YOU'RE NOT OUT OF POCKET IF YOUR BMW IS WRITTEN OFF OR STOLEN.

Within our suite of BMW Protect products is BMW Shortfall Insurance, ensuring you're not out of pocket if your BMW is written off due to an accident, theft or fire. BMW Shortfall Insurance is designed to bridge the gap between the motor insurance settlement and either the amount you paid for your BMW, or the outstanding amount due under your finance agreement if your BMW is declared a total loss, whichever is the higher amount. BMW Shortfall Insurance covers you against losing out in these tricky situations.

**Key Benefits of BMW Shortfall Insurance:**

- Cover available for 2, 3 or 4 years
- The insurance could pay up to £500 to cover any excess you have as part of your motor insurance claim
- Pay for your policy upfront or in 12 monthly payments (at no extra cost)
- Cover for accessories listed on the original purchase invoice for the insured vehicle that are present at the date of loss
- You have up to 60 days to purchase your policy after you have collected your BMW. Cover will start after you have purchased the policy

Further Benefits of BMW Shortfall Insurance:	
No age or vehicle mileage limitations	✓
European Cover	✓
If your motor insurer declares your vehicle a total loss and you are provided with a replacement vehicle, you are able to transfer the cover that's left on your BMW Shortfall Insurance to the replacement vehicle at no extra cost	✓
The BMW Protect Services Team will be on hand to help if you need to make a claim and can negotiate with your motor insurer on your behalf	✓

**BMW Shortfall Insurance. Explained:**

You paid £32,000 for your BMW but it gets written off following an accident. Your insurance company values your vehicle at £25,000, leaving you with a potential gap of £7,000. Should this happen, BMW Shortfall Insurance will cover the difference between what you paid for your BMW and your insurance company's pay out. However should your finance settlement figure leave you with a greater gap than £7,000, BMW Shortfall Insurance would cover up to the higher amount, ensuring that you are not left out of pocket.

**Policy Conditions:**

- The insurance cover will be capped at a maximum amount. Therefore the amount paid out under the BMW Shortfall Insurance might be lower than the gap between the motor insurance settlement and either the amount you paid for the insured vehicle or the early finance settlement balance
- Cover only applicable if a claim under your motor insurance policy is paid
- Cover for finance agreements does not include Contract Hire
