

BMW ON THE MOTABILITY SCHEME.

PRICE LIST 1 OCTOBER – 31 DECEMBER UPDATED.

FIND A BMW THAT FITS YOUR LIFE.

BMW is proud to be associated with Motability, a registered charity dedicated to helping disabled people get mobile by exchanging their mobility allowance to lease a new car through the Motability Scheme.

This route to worry-free motoring offers the following benefits:

- A new BMW every three years
- 60,000 mile allowance or 100,000 miles for Wheelchair Adapted Vehicles (WAV)
- Insurance included
- All servicing, maintenance, windscreen and tyre replacement costs built-in
- Accident and breakdown cover
- Many adaptations at no extra cost
- Ability to nominate up to three named drivers

Choosing a BMW on the Motability Scheme offers:

- High level of specification including the latest connected technology and access to My BMW App
- Conventional metallic paint option at no extra cost
- Unique BMW driving dynamics, premium comfort and effortless practicality
- Choice of automatic models and various trims, plus all-electric iX1, iX2 and i4 models.

Download and use the My BMW App to remotely check the fuel or charge of your BMW, plan and send your route to your car and more.

ELIGIBILITY.

To discover everyday freedom with Motability, you must be in receipt of one of the following Mobility Allowances to be able to lease a new BMW on the Motability Car Scheme.

- the Higher Rate Mobility Component of the Disability Living Allowance (DLA)
- the Enhanced Rate of the Mobility Component of the Personal Independence Payment (PIP)
- the War Pensioners' Mobility Supplement (WPMS)
- the Armed Forces Independence Payment (AFIP)

You must have at least 12 months award length remaining. Please visit www.motability.co.uk or call 0800 093 1000 if you are unsure.

WHAT NEXT?

To lease a new BMW on the Motability Scheme in exchange for your Mobility Allowance, simply contact a Motability Specialist at your local BMW Centre, who can find the right BMW for you, quickly and easily.

This price list shows the one-off Advance Payment required for you to start your three year worry-free lease of a brand new BMW.

THE NEW BMW 1 SERIES.

The new BMW 1 Series combines a refreshed design with upgraded driving dynamics and our latest connected technology. Though compact, the 1 Series is versatile and generous with space, providing ample leg and boot room. Available in the M Sport trim, it offers a high level of quality equipment as standard, keeping comfort and practicality at the forefront alongside innovative technologies such as Parking Assistant.

Search for charging or fuel stations nearby

For peace of mind, you can remotely lock and unlock your vehicle

Book in your next service online

And so much more.

DISCOVER MORE ABOUT THE NEW My BMW APP **HERE** OR DOWNLOAD THE APP FOR YOURSELF.

FAQS.

ISN'T BEING PART OF THE SCHEME FAR MORE COMPLEX THAN RUNNING MY OWN CAR?

No. Signing up to the Scheme is simple and we handle the whole process for you. It also takes the hassle out of owning a car as insurance as well as servicing and maintenance are all covered and once you've had the car for three years we will replace it with a new one.

CAN I INSURE MY PARTNER/CARER/OTHER FAMILY MEMBER TO DRIVE THE VEHICLE?

You can have up to three named drivers of the car on the Motability Scheme. For example, you plus two other people can be the named drivers or if you are unable to drive, you can have up to three named drivers (such as a parent or carer) on the vehicle.

WHAT ARE THE RUNNING COSTS OF A NEW BMW?

Aside from the cost of fuel, your Motability Scheme all-inclusive lease covers everything you need to keep your car running smoothly, including insurance, servicing and maintenance, as well as accident and breakdown cover, so you can have the freedom of worry-free motoring, without the hassle of unexpected bills and enjoy the unique BMW driving experience.

Fuel economy and CO₂ results for the BMW model range on the Motability Scheme:

BMW 1 Series: Mpg (l/100 km) (combined): 49.0-53.0 (5.8-5.3). CO₂ emissions: 135-122 g/km

BMW 2 Series Active Tourer range: Mpg (l/100 km) (combined): 47.1-49.6 (6.0-5.7). CO₂ emissions: 135-129 g/km

BMW iX1 eDrive20 range: Mpg (l/100 km): Not applicable. CO₂ emissions: 0 g/km Electric range: 268.4-293.3 miles.

BMW iX2 eDrive20 range: Mpg (l/100 km). Not applicable. CO₂ emissions: 0 g/km. Electric range: 272.8-283.3 miles.

BMW i4 eDrive35 range: Mpg (l/100 km). Not applicable. CO₂ emissions: 0 g/km. Electric range: 258.5-298.9 miles.

WLTP fuel economy figures are shown for comparability purposes. Only compare fuel consumption, CO₂ and electric range figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Battery electric vehicles require mains electricity for charging. Whilst we recommend the battery for this vehicle is charged to 80% to help optimise the life of your battery, the electric range figure shown is the WLTP figure after the battery had been fully charged to 100%.

Prices are correct at publication for orders placed and accepted between 1 October – 31 December with participating BMW Centres and subject to availability and can change without notice. All models on the Motability Scheme include optional metallic paint at no extra cost. Models featured may include options at an additional cost. Motability Scheme vehicles are leased to customers by Motability Operations Limited (Registered Company No. 1373876), City Gate House, 22 Southwark, Bridge Road, London, SE1 9HB. To qualify you must be in receipt of the Higher Rate Mobility Component of Disability Living Allowance (DLA), the Enhanced Rate Mobility Component of Personal Independence Payment (PIP), the War Pensioners' Mobility Supplement (WPMS) or the Armed Forces Independence Payment (AFIP), the Higher Rate Mobility Component of Child Disability Payment (CDP) or the Enhanced Rate of Mobility Part for Adult Disability Payment (ADP).
