10. OUR RIGHTS TO END THE CONTRACT

10.1. We may end the contract if You break it

We may end the contract for a product at any time by writing to You if:

- i. You do not make any payment to us when it is due and You still do not make payment within seven days of us reminding You that payment is due;

We may write to You to let You know that we are going to stop the Pay Monthly Service Plan. We will let You know at least three months in advance of our stopping the Pay Monthly Service Plan and will refund any sums You have paid in advance for service which will not be provided.

11. PRICE AND PAYMENTS

11.1. Price for the Pay Monthly Service Plan

The price of Your individual Pay Monthly Service Plan (which includes VAT) will be the price indicated to You when You placed Your order. The Price consists of a Total Payment which is the total amount You pay over the entire Term of Your Pay Monthly Service Plan. The Total Payment made by You includes the Service Cost and any applicable Management Fee.

Any payments due pursuant to the Total Payment have been calculated on the basis of the service(s) occurring at the time intervals specified in the Service Specification. We reserve the right to require an Accelerated Payment from You in the event of the Vehicle being presented for Service earlier than the time intervals specified in the Service Specification or the mileage exceeding the Manufacturer's recommended service interval mileage per annum. Any such Accelerated Payment will be requested by Us or a Participating Retailer at the time the Vehicle is presented for Service but will not affect the amount of the Total Payment (and so the amount of each of the remaining Direct Debit Payments will then be reduced by the Service Plan Provider to reflect the Accelerated Payment). This Contract only obliges Us to provide Services up to the value of payments made to date by You under the Contract. You should notify our Service Plan Provider of your estimated annual mileage when purchasing a Pay Monthly Service Plan as well as any significant changes in your annual mileage which may impact your Service due dates. This will help Our Service Plan Provider to calculate Your Direct Debit payments. However, Service due dates are not solely dependent on mileage and therefore we cannot guarantee an Accelerated Payment will not be required.

Failure by You to make payments as detailed on the Contract shall entitle Us to terminate this Contract and BMW's obligations under the Contract shall cease immediately. Any monies standing to Your credit will be applied to the payment of any applicable outstanding Management Fees and thereafter will be applied to any outstanding Services Costs owed to BMW. In the event that the Service Cost benefit received by You prior to such termination exceeds the payments made by You, You shall remain liable for the outstanding amount and shall make immediate payment to Us of any balance due and We shall be entitled to charge interest at a rate of 4% above the base rate of Barclays Bank plc until full reimbursement is made.

Any additional work carried out and/or materials supplied by a Participating Retailer not included in the relevant Service will be Your responsibility and will be payable on collection of the Vehicle to the Retailer directly.

11.2. Direct Debit

You will make recurring, usually monthly, regular payments by direct debit (Direct Debit Payments) under the Direct Debit Scheme towards the Total Payment of Your Pay Monthly Service Plan.

Any Direct Debit Payments due pursuant to the Direct Debit Scheme have been calculated using the current rates of VAT. If the rate of VAT should change, the Service Plan Provider will adjust the Total Payment and payments due pursuant to the Direct Debit Scheme and/or any Accelerated Payment to reflect the new rate of VAT, and You agree to pay the adjusted payments.

You agree to make all Direct Debit and other payments as they fall due for payment.

You may (up to two times a year) ask Us to change Your monthly repayment date by notifying Us of the new date at least five business days before the change takes effect. We will change Your direct debit payment dates to the date You choose, and we will not give You the normal advance notice for such a change.

11.3. Transfer of the Balance

You may transfer any Balance You hold on Your Pay Monthly Service Plan to a new Contract or to a new owner of the Vehicle. This request can be handled via the Service Plan Provider. Transfer to a new Contract may only take place if the new Contract is part of the same national campaign.

In the event of a transfer of the Balance to a vehicle which has higher Service Costs than the current Vehicle, You will be advised of any changes in the Total Payment and any payments made under the Direct Debit Scheme will be adjusted accordingly.

You will be notified by the Service Plan Provider of any change in writing.

11.4. Payment Administration

You acknowledge that the Service Plan Provider is entitled to collect Direct Debit Payments and all or part of the Total Payment and acts as agent for BMW in relation to the collection of any payments due under the Pay Monthly Service Plan. The Service Provider will show on Your bank statements for any Direct Debit Payments along with the associated reference. Any applicable Management Fee is due to the Service Provider and will be collected as part of the Total Payment. Both, You and BMW acknowledge that financial responsibility for Deposit Payment(s) and sums payable through the Direct Debit Scheme towards the Total Payment lies with BMW or BMW Group and not with the Service Plan Provider.

12. CUSTOMER OBLIGATIONS

You are reminded that if the Vehicle is still covered by the contractual warranty then the continuing validity of such warranty may be affected if the Vehicle is not serviced at the

time and mileage intervals appropriate to it. You are strongly advised to refer to the service handbook of the Vehicle for further information and You are advised that in the event of any inconsistency between this Contract and the service handbook as to when Services are due, then the service handbook must be assumed to be accurate. If a Service is due in respect of the Vehicle, then it is Your responsibility to arrange for that Service to be carried out regardless of whether the payments made to date under the Contract are sufficient to pay for the cost of the Service.

13. YOUR INFORMATION AND PRIVACY

For the purposes of the General Data Protection Regulation (GDPR), BMW is the Controller in relation to personal data You supply to BMW for the purpose of this Contract. The Service Plan Provider (EMac) is a Processor of Your personal data. 15. NO RIGHTS OF THIRD PARTIES

This contract is between You and us. No other person shall have any rights to enforce any of its terms. Neither of us will need to get the agreement of any other person in order to end the contract or make any changes to these terms.

16. SEVERANCE

If a court finds part of this contract illegal, the rest will continue in force. Each of the paragraphs of these terms operates separately. If any court or relevant authority decides that any of them are unlawful, the remaining paragraphs will remain in full force and effect.
