

Meet your Flexport Employee Resource Groups

BOLD

Black Organization for Leadership and Diversity

To create a community for African/African-American employees and allies to support a diverse and inclusive workplace through education and community building.

Freight Femmes

Empowering women, femme and non-binary aligned folks @ Flexport.

D&I

The D&I team's mission is to foster a diverse and inclusive organization for all members by promoting education, empathy, and strengthening internal bonds so all Flexporters can exist comfortably as their authentic selves in the workplace.

HAAPI

HAAPI is a community that aims to empower Asian/Asian American Pacific Islander employees and allies through advocacy, business initiatives and professional development.

Pride Alliance

Strive to create a safe and comfortable space for LGBTQIA+ members and allies to network, provide support, and advocate for education and awareness.

Voz

Voz celebrates Flexport's network of Latin American, Hispanic, and ally employees. We seek to cultivate an empowering space for personal and professional development through community outreach and exploration of culture, language, and history.

Parenthood

Parenthood strives to promote an inclusive workplace for FlexParents and create a safe space to socialize their experiences.
