BIG ROUND PANEL LIGHT DATA SHEET

APPLICATION

Hotel,meeting room,office,shool, art gallerie,hospital etc.

PRODUCT OVERVIEW

Shape design: smart design,easy installation for both surface mouting and suspension mounting. Aluminum material,good heat dissipation function;

LED Light source: high brightness,stable performance,low lumen depreciation,long lifespan;

Optical design: unique anti-glare design,nice luminanace uniformity,comfortable application;

Environment-friendly: free of mercury,lead and any other poisonous substances. This green product has no environment pollution,no UV,low glare,makes it a comfort and secure item for use;

PARAMETER
