4.25 gallon	HDPE, PP	65, 80	available with diamond pattern
4.75 gallon	HDPE	65	
5 gallon	HDPE	70	

SPECIAL FEATURES

Tamper evident, hinged covers are available to provide easy dispensing of product over time and resealing to retain product freshness. The rectangular design provides better space efficiency than round pails. The available 'diamond pattern' is environmentally friendly by reducing material costs while maintaining the same stack performance of traditional pails.
