

SALES AND DELIVERY CONDITIONS

Sales and Delivery Conditions for purchases made on cy.ecco.com (herein after referred to as the "Website").

1 Introduction

- 1.1 The Website is owned and operated by: ECCO (Cyprus) Limited, registration number: HE 290547, whose registered office is at 195 ARCH. MAKARIOS III AVE. NEOCLEOUS HOUSE 3030 LIMASSOL CYPRUS (herein referred to as "ECCO", "we," "us" and "our"). ECCO's VAT number is CY10290547K.
- 1.2 These Sales and Delivery Conditions apply to the purchase and delivery of goods sold on the Website or App for delivery in Cyprus. If you wish to purchase our products and have them delivered in another country, please go to the ECCO website for that particular country (by selecting that country from the drop-down menu available on the Website).

2 Ordering and purchasing of products

2.1 Products

- 2.1.1 The products we sell online are displayed on this Website and include but are not limited to footwear, bags and shoe care products.

2.2 Purchasing

- 2.2.1 By placing an order and clicking the button "I order and pay" you are offering to purchase a product on and subject to these Sales and Delivery Conditions.
- 2.2.2 In order to place an order with us you must be: (i) over 18 years of age; and (ii) possess a valid credit or debit card, or bank account, as specified in point 2.5.
- 2.2.3 When placing an order you confirm that: (i) all details you provide to us are true and accurate, (ii) you are an authorised user of the credit card, debit card or other payment method used to place your order; and (iii) there are sufficient funds to cover the total purchase price and delivery cost if applicable).

2.3 Acknowledgement of your order and order confirmation

- 2.3.1 When you place an order, you will receive an acknowledgement e-mail confirming receipt of your order. **This email will only be an acknowledgement that we have received your offer to purchase a product and will not constitute acceptance of your order.**
- 2.3.2 A contract between us for sale of the goods will not be formed until your order is ready to be shipped, at which time we will send you an order confirmation e-mail as well as the invoice and shipment information. Therefore, the contract is concluded the moment when we send you an order confirmation e-mail and/or text message.

2.3.3 You accept that all communications regarding the order including order confirmation, invoice, delivery information etc. are sent via e-mail.

2.4 **Price and Availability**

2.4.1 All prices of the products available on the Website are provided in Euro and include VAT. For some orders you may be liable to pay an additional fee for delivery, and the value of such delivery fee shall be communicated to you prior to placing your order.

2.4.2 All orders are subject to availability and confirmation thereof as there may be rare occasions where it is not possible to fulfil an order (for example, two orders are placed for the exact same product and only one is available to send).

2.4.3 We reserve the right to cancel an order at any time before ECCO accepts the order if it is not possible to deliver the ordered product and ECCO has a reasonable, valid reason for the cancellation. You will be informed if such a situation arises, and any payment or reservation made on your payment card or other means of payment will be returned or cancelled.

2.4.4 We may from time to time offer products which are limited edition (i.e. such products will not be available permanently or long term). This means that if you wish to exchange or raise a valid claim with us regarding such products it will not always be possible to deliver an identical replacement product, in which case we will refund the purchase price (and the cost of basic rate delivery at the time of the order) to you instead.

2.5 **Payment**

2.5.1 Information about your chosen payment method must be provided to us when placing an order on the Website.

2.5.2 Upon receiving your order, we carry out a standard pre-authorisation check for credit or debit cards and for bank transfer we do a control check. We do this to ensure there are sufficient funds to fulfil the transaction. Products will not be dispatched until this pre-authorisation check or control check have been completed. Your card will be debited once the order has been accepted and we ship your products. For bank transfer your account will be debited as soon as the order has been placed.

2.5.3 We accept the following cards: Visa, Visa Electron, Mastercard credit, Mastercard debit.

2.5.4 When paying with credit or debit card, the full amount is reserved on your account by us and payment is debited from your card only at the time of dispatch of your products.

2.5.5 Your connection is always secure with us and encrypted with 256 bit cipher.

2.5.6 ECCO Online Shop is using 3D Secure Visa and Mastercard.

2.5.7 For security reasons, we do not store any payment information in our database.

2.6 **Discount Codes**

2.6.1 We may from time to time offer promotional discount codes, which may apply in respect of any, or certain specified, purchases made through the Website.

2.6.2 The terms and conditions governing potential use of any discount code will be specified at the time of the campaign.

3 **Delivery**

3.1 We try to dispatch and deliver to you the ordered goods as soon as possible. Dispatch times may, however, vary according to availability and any guarantees or representations made as to delivery times are subject to any delays resulting from postal delays or events outside our control. We deliver free of charge within Cyprus.

3.2 All products purchased from the Website are delivered pursuant to a shipment agreement. The service provider under the shipment agreement is G.A.P. Accordingly, the risk of loss and title to such purchased products passes to you upon delivery to you at the address provided by you. Delivery will be made within 3 business days after your order has been accepted by ECCO. The time required for the ordered goods to be delivered to you includes the time necessary to prepare the ordered goods for shipment and the time needed for delivery of the goods by the service provider.

3.3 The contract between you and ECCO for the sale and delivery of goods purchased by you in accordance with the present Sale and Delivery Conditions shall be considered to be concluded from the date of successful delivery of the goods to you. Notwithstanding the termination of the contract, all rights and obligations of you and ECCO under these Sale and Delivery Conditions that apply after delivery, or as required under applicable law, shall remain in force, unless otherwise specified in these Sale and Delivery Conditions.

4 **Cancellation and returns**

4.1 When you shop with us, we want you to be completely satisfied. If you are not satisfied with a purchase made on the Website, you will have the right to withdraw and may return the ordered goods for a refund of the purchase price within 30 days. We can only accept returns of products purchased through the Website or App. All purchases made through another ECCO sales point must be returned to the original place of purchase.

5 Product warranty and claim handling

- 5.1 Unless otherwise expressly stated, a warranty period of two (2) years from the date of delivery applies to all products sold via the Website or App. We are obliged to deliver

to you the ordered goods free of any defects and in conformity with these Sales and Delivery Conditions.

- 5.2 If the ordered goods are defective, you have the right to:
- (a) request a partial or full refund;
 - (b) demand exchange of the defective product for a product free from defects; or
 - (c) demand that we remedy the defects.
- 5.3 Subject to point 5.4, you do not have the right to request a refund if we immediately and without excessive inconvenience exchange the defective product for one free from defects or immediately remedy the defect, at your request or with your agreement.
- 5.4 Point 5.3 does not apply where the product has already been replaced or repaired by us, or we have not discharged the duty of exchanging the product for one free from defects or remedied the defect when requested to do so by you.
- 5.5 If it is impossible to remedy the defect and to bring the product to conformity with the contract or it involves disproportionate costs in comparison with providing a replacement, we may replace the defective product for a product free from defects regardless of your request in this respect.
- 5.6 If you have a complaint regarding the products you have received please contact our Customer Care team (see contact details below under point 9) and they will inform you how to proceed and what information we need in order for us to process your complaint.
- 5.7 We will confirm the receipt of your complaint and respond to your complaint within 14 days.
- 5.8 We are responsible for the product defects if they are detected within two years from the date the product was delivered to your address. Your claim for the removal of the defect or replacement of the product sold for one free from defects is limited to two years, counting from the date of detecting the defect; however, the above limitation period may not cease to run before the elapse of the two years period counted from the date of delivery of the product. Your right to claim a refund due to the products' defects is limited to two years counted from the date of detecting the defect; however, if you have requested replacement of the product for one free from defects or remedy of the defect, the time limit to submit a refund request is paused whilst the product is remedied or replaced. In the event of discovering a product defect, you must notify ECCO of such product defect, within a period of no more than two (2) months from the date on which you discovered it.
