Name: \_\_\_\_\_

### Section 1: With your partner

1. Think of all the groups and labels that are used here at school.
2. Write as many of them as you can here.

---

---

---

---

### Section 2: On your own

1. Choose two or three of the groups or labels that you think apply to you.
2. Write one in each “Group/Label” box.
3. Write down as many common stereotypes as you can think of about that group or label, both positive and negative, whether you think they are true or not.

Group/Label	Negative stereotype	Positive stereotype
